8<sup>th</sup> April 16

Dear Parents and Carers,

At Rawmarsh Ashwood Primary School we feel strongly that working with and involving parents is hugely beneficial to all our children and the school.

We have dedicated part of our schools website to SEND (Special Educational Needs and Disability) and would like to know if there is anything you would like us to include.

Although we have some suggestions, we hope that you will come up with many more.

You may like:

- Information about the different types of SEN
- Navigating the SEND process
- What you should expect from us
- Any helpful websites and case studies of children and families.

Please write your ideas at the bottom of the page and hand them back to your class teacher.

Thank you for your continued support, we look forward to hearing your ideas.
