

Sport Premium Overview

At Rawmarsh Ashwood Primary we believe PE & Sport plays an important role in helping children reach their full potential to change young people's lives for the better.

We have welcomed the Government's announcement in June 2013 to provide additional funding for 2 years to improve provision of physical education (PE) and sport in our school. We are committed to using this resource in developing high quality PE lessons, improving the health and wellbeing of our children, alongside greater opportunities for sporting competitions and clubs for all our young people.

Sport Premium Grant

Funding for schools is calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census. All schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil.

Total no of primary aged pupils between the ages of 5-11	148
Total amount of Sport Premium Grant received	£8740.00

What does the Sport Premium mean for my School?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).

Evidencing the Impact of the School Sport Premium

The following guidelines outline what the Ofsted Inspectors will be looking for upon their visits.

Inspectors have been asked to consider the impact of the new primary school sport funding on pupils' lifestyles and physical well-being by taking into account of the following factors:

1. Increased participation rates in such activities as games, dance, gymnastics, swimming and athletics.
2. Increased knowledge of teachers within the subject area through CPD, team teaching and access to new resources.
3. Increased amount and success in competitive school sports both inter and intra-school;
4. More inclusive physical education curriculum.
5. Growth in the range of provisional and alternative sporting activities (new sports).
6. Improved partnership working on physical education with other schools and other local partners eg: EIS.
7. Links with other subjects which contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills;
8. Greater awareness amongst pupils around health and wellbeing e.g. dangers of obesity, smoking and other such activities that undermine pupils' health.
9. Improved physical education lesson planning and pupil assessment.

Following on from the previous impact report, several targets were identified which need to be implemented into this year's spend. They include:

- To ensure that all teaching staff have the required skills and knowledge to teach and evaluate the new physical education National Curriculum.
- Appointment of new Sports Coach to work across the Ashwood Multi Academy Trust.
- Sports competitions between schools within the Trust and wider learning community.
- Extra-curricular activities will be led by the Sports Coach each week.
- Support for Pupil Play Leaders during break and lunchtimes (including training for SMSAs).

Action	Description	Expected, measurable outcome and timescale
<p>Ensure the school finds the best ways in which to utilise the Sports Premium funding</p>	<p>Pay for a new sports coach role - share the expertise of a fully qualified sports coach.</p> <p>This provides a specialist member of staff to work alongside our PE and Sports Lead to develop our provision and guide the school in ensuring the sports premium funding has the highest impact possible for our pupils.</p> <p>Also included in the price is staff CPD and quality sports training for other staff such as SMSAs.</p>	<p>Physical Education to be ranked as good or better by OFSTED.</p> <p>Spending review to SLT and LGB.</p> <p>Find out about the Sports Game mark award.</p> <p>Find out about the Youth Sport Trust Quality Mark.</p>
<p>Improve quality of curriculum delivery</p>	<p>Continue to work with Rawmarsh Ashwood Academy and make links with other sports coaches in the local area to improve the quality in delivery of curriculum PE.</p>	<p>Every teacher to have undergone a minimum of 3 hours with specialist coach by July 2016.</p>
