

Ashwood Multi Academy Trust

Sports and PE Coach Funding 2015 – 2016

Our Sports and PE Coach, Mr Ryan Canadine, was appointed from September 2015, by the Ashwood Multi Academy Trust to work across both Rawmarsh Ashwood and Thrybergh Primary School. He delivers a variety of sporting activities in both schools, with children from Foundation 2 to Year 6 children.

Our Foundation 2 children (3 – 5 years) in particular enjoy these activities as they have never had the chance to experience such a wide and varied selection of sporting activities on a weekly basis.

After School Clubs also take place at both schools, twice each week and are again enjoyed by all the children that attend.

In the October half term break, at Rawmarsh Ashwood, Mr Canadine successfully delivered a one day Holiday Sports event. Nineteen children attended and a good day was enjoyed by all. This programme will be run again at Rawmarsh Ashwood as well as Thrybergh Primary School during the Spring and Summer Terms

The funding also allows the further development of our 'active playground'. Mr Canadine encourages a wide range of children (of all abilities) to participate in sporting activities at break and lunchtime.

He also plays a significant role in liaising with the secondary school sports co-ordinator to coach teams who compete in a number of local inter school events including cross country, football, netball to name but a few.

Each March both schools enjoys an excellent 'sports day' at the world class facilities the 'English Institute of Sport' provides.
