

RAWMARSH ASHWOOD PRIMARY SCHOOL

Food in School

27th February 2015

Dear Parent/Carer

We are updating our records for pupils who have special dietary needs and/or food allergies.

The information is required for all children regardless of whether they currently have school meals or not. Please indicate any dietary needs in the boxes below. If the specific need is not covered by the options, please write a description in the space provided.

Should this information change at any time in the future, please inform school reception.

Thank you in anticipation of your co-operation in this matter.
