

Dear Parents / Carers,

Attached to this letter is a "Spring 'To do' List". It is made up of 20 simple activity ideas for you and your child to engage in over the 2 week Easter holiday. We appreciate that this can be a busy time of year and this list is in no way compulsory, they are simply suggestions for quick 5 minute activities to try out which may create lasting memories for your children.

In the Foyer area of our Foundation unit, we have made a 'Treasure Tree' display area. This area is for you and your child to display any items that you may have made, found or photographed as part of these activities so that others can see too! Hopefully the tree will represent each season as it changes with the new activities. (If you need any string or blue tack etc in order to put your 'treasure' on or around this tree then please do not hesitate to ask a member of staff!) If you or your child would like their item back when the tree changes then we will make every effort to return it but please do put their name on it too.

Don't forget that photographs can always be emailed into the foundation unit to:

[foundation@ashwoodprimary.org](mailto:foundation@ashwoodprimary.org)

Thank you in advance

The Foundation Team.
