24/01/2018

To the staff and pupils of Rawmarsh Ashwood Primary,

We just wanted to say a huge thank you and tell you how amazing we think you are for raising **£188.41** from your Wear Blue non-uniform day.

Please accept this letter as the official receipt of your donation.

The money you've raised is so important because right now, there are 4.5 million people in the UK with diabetes. In Northern and Yorkshire alone it is estimated that over 528,000 people are living with diabetes.

We are the leading UK charity that cares for, connects with and campaigns alongside people with and at risk of diabetes. But we can't do that without people like you.

The money you've raised means people with diabetes can keep getting the information, advice and support they need, we can keep campaigning for better care, and our scientists can keep finding new ways to treat diabetes, prevent it and one day cure it.

We hope you'll pass on our thanks to everyone who helped you raise the money because without them, and you, none of our work would be possible.

We promise to put your money to the best possible use. If you would like to find out more about our work, or other great fundraising ideas, we would love to hear from you. You can contact your local fundraiser Tyler at fundraising@diabetes.org.uk or call 01372 720148.

Thank you for helping to change the lives of people with diabetes.

Yours sincerely,

Isabel Collinge
