PARENT CONSULTATION DAY **Monday 5th November 2018**

We will be holding our first Parent consultation event of the year on our INSET day on Monday 5th November – the first day following the October half term. School is closed to children, with appointments through the day for parents and their child to meet with their class teacher for a dedicated 15 minute slot.

We hope that this provides a valuable opportunity for the class teacher and parents to discuss how well their child has settled in to their class, identify areas of strength and agree targets to work on. We would also hope to share end of year expectations.

The appointments begin at 7:45am and run through till 3:30pm. Appointment sheets will be displayed outside each classroom from Monday 22nd October. Please sign up for a slot. We will check the sheets during the week and send a reminder text to those who are not signed up. Please make every effort to attend.

This year, our Chair of Governors will be in school during the day. Please pop in and say hello and complete a short survey of your views.

Thank you,

Mrs K Levesley
Headteacher
