12.10.2020

Dear parents/carers,

I am writing to let you know about a new 'Breakfast project' that we have been invited to take part in as part of the Governments Covid-19 response.

This National Schools Breakfast Programme (NSBP) is being delivered by Family Action and Magic Breakfast. It's purpose is to ensure that no child goes hungry at the start of a day's learning.

After half term we will be serving bagels and cereal on a 'grab and go' basis as children come into school. We are starting with zones 1 and 2 – children from Yr1-6. Hopefully when this is up and running, at a later date, we can try to introduce it in zone 3 for our youngest children.

Due to a government grant the breakfast will be free until March 2021. Please note due to ongoing current covid issues we won't be able to operate our usual Breakfast Club.

If you feel that your child(ren) would benefit from this – please sign the form below to give us an idea of the number of breakfasts we will need to order.

Thankyou
Helen Marshall

Rawmarsh Ashwood Primary School

Childs Name: Class

I wish my child to be part of the NSPB and require a daily breakfast for my child.
