Dear parents/carers

I have been reviewing the arrangements for visitors in school in light of the current placing on the 2<sup>nd</sup> December of Rotherham and South Yorkshire in Covid restrictions - **Tier 3**. Unfortunately the rules in tier 3 include us being unable to meet in groups larger than 6 outside. This means that we will be unable to have parents meeting in school grounds to watch their children sing or perform their Christmas class performances!

I know this is disappointing for you and the children, but it is unavoidable in the current circumstances. The children will still perform their songs or nativities, but we will record them and share them via Class Dojo and our school website – so that you will be able to see them perform virtually.

Hopefully, next year things will be different! Thankyou for your ongoing support.

Kind regards

Helen Marshall
