

YEAR 2 PARENT NARRATIVE – AUTUMN 1 2021

We are teaching subjects in a more discrete way to ensure we are building our knowledge in each subject. Here is a glimpse of some of the learning we will be completing this half term to grow our brains further!

Computing

We will be learning about keeping safe on the internet and why this is important.

PSHE

We will be developing a class charter to help us to work together as a whole class and build positive relationships.

We will be looking at ways to manage our worries, including mindfulness and relaxation techniques.

We will be voting on our class charity. This forms part of our active citizenship community work which will go towards our Bronze level for our Ashwood pledges.

For more information visit:-
<https://ashwoodprimary.org/ashwood-pledges/>

Geography

(This half term will have a geography focus for humanities)

We will be learning about human and physical features of our local area on Ashwood Road and how this is our school community which forms part of the area of Rawmarsh in Rotherham

Art

We will be creating pen and ink work for landscapes of our local environment

Religious Education, Philosophy and ethics

We will be learning about how we belong to different groups eg our families, school, extra curricular clubs etc and how we are connected with each other.

Science

We will be looking at how humans change as they grow, creating timelines and comparison tables.

Thank you for your continued support - *Miss Roper, Miss Bingham and Mrs Clarkson*
