Letter from the Strategic Director for Children and Young People's Services for Children and Young People's Services

Dear Parent(s)/Carer(s)

The education of children and young people is a key priority in Rotherham. We aim to give your child the best possible learning opportunities and work with you as partners in your child's learning.

Starting primary school is an important and exciting step in the life of any child, along what we hope will be the Lifelong Learning Road. I hope that this booklet will provide a clear explanation of the procedures to be followed at this important point in your child's life. It is important that, as a parent or carer, you are fully informed in the process so that your child can make a happy and successful start to, and continuation throughout their school life. The booklet summarises the Local Authority and Schools policies on the allocation of primary school places. It also refers to some of the other policies which may affect your child, either immediately or at some time in the primary education phase.

This booklet should be helpful in answering questions about starting school and staff in Children and Young People's Services can also offer advice to you. In addition each primary school publishes its own booklet, you may find it helpful therefore to contact the Head Teacher of the school you prefer your child to attend to find out more about its organisation and curriculum.

Yours sincerely

Suzanne Joyner

Strategic Director, Children and Young People's Services

INTRODUCTION

This booklet gives full details on **how to apply for a primary* school place for your child.**

Rotherham operates a co-ordinated scheme which will result in most children only receiving one offer of a place.

The information particularly applies to all those children born on or between 1st September 2017 and 31st August 2018 who should be starting at a primary school in September .

If your child is moving to a Junior school in September 2022 you will be sent a separate letter in due course. The Admissions Criteria for transfers from Year 2 to Year 3 can be found in **Section 11** of this booklet.

If you wish your child to access nursery provision further information on which schools have a nursery/foundation unit can be found in Section 4. For help and advice on private providers and funding for nursery places please contact the Families Information Service on 0800 073 0230 or email fis@rotherham.gov.uk. The Admissions Policy for Local Authority (LA) Nurseries and Foundation Stage One Units can be found in **Section 10**.

Details of the action you must take

You are encouraged to read the entire booklet, but it is most important to read Sections 5 and 6 and you must then:

- 1 Apply online at www.rotherham.gov.uk/education or request a paper application form from the Admissions Team.
- 2 If you are applying for a place at a Church of England or Catholic School for your child, you should also complete the appropriate Supplementary Information Form(s) and forward it along with any further evidence requested by your preferred school(s) (e.g. baptismal certificate). Failure to include this information may affect which admissions category your child is placed in for your preferred school(s).
- 3 Paper Common Application Forms must be returned to: **Admissions Team, Children and Young People's Services, Riverside House, Main Street, Rotherham, S60 1AE**
- 4 **ALL** applications must be submitted to the Admissions Team by the closing date of **15th January 2022**.
- 5 Places will be allocated based on your residential address on the closing date of **15th January 2022**. Therefore you **MUST** notify the Admissions Team in writing if you change address before this date. You may be asked to provide written proof of residence (e.g. utility/council tax bill). If you are asked to provide proof of your address and this is not received by the Admissions Team your original address will be used for allocation purposes.
- 6 On **19th April 2022** a letter will be posted to your home address or an email will be sent (if you applied online and chose this option), to notify you which school your child has been allocated

The information contained in this booklet was compiled in the period within two months of its publication. It has been made available at least six weeks before the date by which parent(s)/carer(s) may exercise their right to express preferences for schools for the year to which the information relates.

The information on the Authority's policies and procedures referred to in this booklet is correct at the time of publication. It should not be assumed, however, that there will be no change before the start of, or during, the school year to which the information relates or in relation to subsequent school years.

*** for the purpose of this booklet all references to primary schools also includes infant schools and infant and junior schools.**

SECTION 1 - TERMINOLOGY

Admission Appeal

Where a parent is not offered a place at a school for which they have expressed a preference, they have a legal right for their preference to be further considered by an independent appeal panel.

Admission Arrangements

All the procedures, criteria and publications which must be put in place by an admissions authority in order to process applications for admission to school. Admission arrangements will determine whether a child is eligible for admission to school.

Admission Authority

The body responsible for determining the admissions arrangements for a school. This can be the Local Authority or, for some schools, the governing body.

Admission Criteria

The rules, which govern who should and should not be offered a place at an oversubscribed school.

Admission Limit

A higher number of children above the admission number in any relevant age group intended to be admitted in any school year as determined by an admission authority.

Admission Number

The number of children in any relevant age group intended to be admitted in any school year as determined by an admission authority.

Admission Round

The procedure, arrangements and timetable whereby parents have to submit their Application for admission to school in order to receive the single offer of a school place from the Authority on the National Offer Day.

Admission Year

The school year to which the admission arrangements apply.

Allocation of a School Place

This is where the single offer of a place at a school is made, and therefore the child's name is placed on the list of admissions to that school.

Common Application Form

The form to be used by parent(s)carer(s) on which they are required to express preferences for schools and give reasons for those preferences. It is referred to as common because it allows parent(s)carer(s) to name schools in different admission authorities. The term 'common application form' throughout this booklet is used to refer to the online application form or the paper common application form unless otherwise stated.

Co-ordinated Scheme for Admission to School

This is a method for determining, from potential offers for school places, which is going to be the single offer of a place communicated to parents.

Eligible for Admission

This is where a child can be offered a place at a school either because:

- the number of applications for the school is below the admission number; or
- it is oversubscribed but the child meets the requirements of the admission criteria when compared to other children, within the admission number.

Foundation Stage/Nursery Units

Part of the Authority's Early Years Strategy providing a specific key learning/teaching stage for children aged 3 to 5. Nursery or Foundation Stage 1 caters for children aged 3 and 4 years on a part-time basis. Reception or Foundation Stage 2 caters for children aged 4 and 5 years on a full-time basis. **Please note that admission to a nursery or foundation stage 1 unit does not guarantee a place in Reception or Foundation Stage 2.** All Foundation Stage 1 children must have a preference for Foundation Stage 2 expressed online or by using the common application form as set out in this booklet.

Home Authority

The Local Authority within whose area the child resides.

Infant Class Size Legislation

The Regulations which give Admission Authorities the power to refuse admission once the admission number has been reached if that means teaching a class of more than 30 children in Key Stage 1.

Maintaining Authority

The Local Authority within whose area a school is situated and for which they are responsible.

National Closing Date

For Admission to Primary School in September 2022, the Government has deemed that the National Closing Date for receipt of applications will be 15th January 2022. Rotherham Authority will accept all applications received up to and including 15th January 2022 as having been received by the closing date.

Net Capacity

The net capacity of a school is the total number of places available for children. In order to calculate the net capacity a formula, issued by the Department for Education, is used.

Notice of Appeal

The form to be completed by the parent(s)/carer(s) and submitted to the Appeal Clerk to request an independent appeal for a school for which the parent(s)/carer(s) has applied and not been offered a place for their child.

Offer Day

The single day in each year in which an authority's single offer of a primary school place is communicated to parent(s)/carer(s) within the co-ordinated scheme. For 2022 the offer day will be 19th April 2022.

Oversubscribed

Where the number of applications for the relevant year group in an admission year exceeds the published admission number.

Preference

Legislation requires that parent(s)/carer(s) must be able to indicate which school(s) they would prefer their child to attend and to give reasons for their preference(s). ALL Admission Authorities will be operating an 'equal preference' system in relation to all preferences for schools. This means that all applications for an individual school will be assessed according to the admissions criteria and no priority will be given according to the ranking. (See also Ranking).

Potential Offer of a School Place

Where a child is eligible for admission to a school the Authority could offer a place at that school. Whether a place is offered depends on the co-ordinated scheme for admission arrangements.

Qualifying Measures

The measures that would need to be taken in order to comply with the duty to limit class sizes in Key Stage 1. These include the necessity to employ an additional teacher or build a new classroom at the school in order to maintain class sizes at 30 or below.

Ranking

The order in which parent(s)/carer(s) have to list their three preferences on the Common Application Form to enable the Authority to determine the single offer of a school place.

Relevant Year Groups

The year group into which children are admitted as an outcome of the admissions round.

The children will be of the same age group i.e. those born on or between 1st September and 31st August in the same school year.

Year Group	Admission Year	Date of Birth
Reception/Foundation Stage 2 (Infant, J&I and Primary)	2022/23	01/09/2017 to 31/08/2018
Year 3 (Junior)	2022/23	01/09/2014 to 31/08/2015
Year 7 (Secondary)	2022/23	01/09/2010 to 31/08/2011

Single Offer of a School Place

The one offer of a place at a school which is made to a parent(s)/carer(s) from the potential offers available based on the ranking of the preference(s) expressed.

Supplementary Information Form

This is information that a Church of England or Catholic school/academy requires about a child's/family's religious affiliations and will be used to determine eligibility for admission where the school is oversubscribed.

Transfer

The movement from one school to another which is outside of the initial admissions process for the relevant year groups above. Commonly referred to as In-year transfers.

SECTION 2 - WHAT ARE ROTHERHAM'S ADMISSION ARRANGEMENTS?

The Government issued legislation which resulted in a co-ordinated procedure for admission to school for all Rotherham residents.

The process makes school admissions fairer for all parents* and improves the admission processes that parents often find stressful. Our aim was to produce an admissions system which is streamlined and reduces the number of application forms parents had to complete where they applied for more than one school.

We co-ordinate our admission arrangements with all other local authorities.

Every parent of a child resident in Rotherham who has applied for a school place in any area will receive a single offer of a primary school place on the same day from their home Authority**.

Please note:

- * All references to 'parents' also refers to carers/guardians who have parental responsibility for the child.
- ** All references to 'the Authority' relates to Rotherham Authority.

Key points are:

- A Common Application Form for all primary schools;
- **ALL** applications for Rotherham residents should be returned to the Admissions Team.
- Equal ranked preferences for all schools. This means that all applications for an individual school will be assessed according to the admissions criteria and no priority will be given according to the ranking. Therefore, if your catchment area school is named as your 3rd preference your child's name will be higher up the list for that school than someone who falls into a lower category and who may have named the same school as a 1st or 2nd preference;
- Places will be allocated based on your child's residential address on **15th January 2022**. Therefore you must notify the Admissions Team in writing if you change address before this date. You may be asked to provide written proof of residence (e.g. utility/council tax bill);
- You can apply on-line at www.rotherham.gov.uk/education or you can request and complete a paper Common Application Form. The closing date for receipt of application is **15th January 2022**;
- Parents to receive a single offer of a school place;
- All offers of a school place to be made by the home LA;
- All offers of a school place to be sent to parents on the same day.

The admission arrangements follow a four-step process

Step One A parent expresses preferences for up to three primary schools and ranks their preferences in order.

Step Two The appropriate admission authority will determine whether or not the child is eligible for admission to each school. Where the governing body of a Church or England or Catholic school or academy or any other Local Authority (for schools outside this Authority) is responsible for admissions, they will determine who is eligible for a place and inform Rotherham Authority.

Step Three A child could be eligible for admission to more than one school. For each school where the child is eligible for admission there is a potential offer of a place. The school at which a place will be offered will depend upon the order the schools are named on the Common Application Form.

Step Four The parent of a child resident in Rotherham who has submitted an application by the closing date will receive a written offer of a school place from Rotherham Authority on **19th April 2022**.

This booklet contains information, which describes the process in more detail, and you are **strongly advised** to read the booklet **before** you apply for your three primary schools.

There are a number of technical terms, which we have to use in the admissions process that may not be easy to understand. Explanations of these are given in **Section 1**.

SECTION 3 - HOW THE ARRANGEMENTS WORK

The co-ordinated scheme for admission to primary school is designed to enable you to apply for any three primary schools and to receive a single offer of a school place where your child is eligible.

A full copy of the Co-ordinated Scheme for the Admission Arrangements for Primary Schools – 2022/23 is available to download from our website www.rotherham.gov.uk/education or by contacting the Admissions Team on (01709) 823777.

You will only have to submit one Common Application Form in order to apply for a place at any three primary schools including Church of England and Catholic Schools, Academies within and/or outside of Rotherham,

You should apply on-line or return the Common Application Form by post by **15th January 2022**. A single offer of a school place for your child will be posted or emailed (if you applied on line) on the **19th April 2022, (although, in some instances it may not necessarily be one of the three named schools).**

This is how the co-ordinated scheme works

- 1) You decide which three schools you would prefer your child to attend.
- 2) Having decided on your three schools you have to state which is your first, second and third preference. You will need to state your three preferred schools in your application, taking care to ensure that they are ranked in your order of preference.

1 st preference school	School A
2 nd preference school	School B
3 rd preference school	School C

Please provide full details of your reasons for choosing each preferred school in the appropriate box.

- 3) The appropriate admission authority will determine whether or not there is a place for your child at each of the three schools you have stated on your application. If there is a place available for your child at a school then your child is 'eligible for admission' to that school and this creates a potential offer of a school place. If you have stated three schools on your application your child could be eligible for admission to none, one, two or three schools. **Section 5** explains how it is determined whether your child is eligible for admission at a primary school.
- 4) The outcome of your application will be one of the following eight possibilities:

Preferred Schools in rank order		The 8 Possible Outcomes							
		1	2	3	4	5	6	7	8
1 st	School A	P	N	N	P	P	P	N	N
2 nd	School B	P	P	N	P	N	N	P	N
3 rd	School C	P	P	P	N	P	N	N	N

Key

- P** Place available – your child is eligible for admission which creates a potential offer.
- N** School oversubscribed – your child is not eligible for admission in accordance with the admission criteria.

Each of the eight outcomes shows whether or not your child is eligible for admission at a school and what was the highest preference of school which could be offered. Each of the eight outcomes is explained below.

- Outcome 1** Your child is eligible for admission to all three schools. Your highest preferred school is School A so the single offer of a school place will be made for School A.

- Outcome 2** Your child is eligible for admission to schools B and C. Your child is not eligible for admission to School A, therefore the single offer of a place will be School B.
- Outcome 3** Your child is only eligible for admission to School C, therefore this is the school for which you will receive the single offer of a school place.
- Outcome 4** Your child is eligible for admission to your two highest preferred schools. The highest preferred school is School A for which you will receive the single offer of a place.
- Outcome 5** Your child is eligible for admission to Schools A and C. Your highest preferred school is School A for which you will receive the single offer of a place.
- Outcome 6** Your child is only eligible for admission to your highest preferred school which is School A. You will receive the single offer of a place at this school.
- Outcome 7** The highest preferred school for which your child is eligible for admission is School B. You will receive the single offer of a place at School B.
- Outcome 8** Unfortunately, in some circumstances your child may not be eligible for admission at any of the three schools you have named. In this instance where no single offer of a place can be made for any of the preferences on your application, **a place will be allocated to your child at the catchment school, if places are available**, or the nearest community or controlled school in Rotherham with places available. Brampton Ellis CE Primary School, or one of Rotherham's Academies may also be offered under this process if places are still available. This outcome only applies to Rotherham residents and this allocation of a place will not be made to residents in other local authorities.

Please note:

In outcomes 1, 4, 5 and 6 your child is eligible for admission to the highest preferred school as named on your common application form so it does not matter whether or not your child is eligible for a school named as a lower preference.

How will applications for other schools be considered?

For schools, other than Community and Controlled schools, it is the Governing Bodies who are the admission authority and they make decisions on eligibility for potential offers. They will also be operating an 'equal preference' system in relation to all preferences.

SECTION 4 - INFORMATION ON ALL SCHOOLS AND HOW TO DECIDE WHICH SCHOOLS TO APPLY FOR

Before you decide which schools you would like to apply for it is important that you understand the different categories of schools which are available within the Rotherham area. All the primary schools in Rotherham are co-educational day schools. There is no selection for places on the basis of ability or aptitude.

From 1st September 2022 this Authority will have 96 schools of which 77 are Infant & Junior or primary schools, 10 are Infant schools and 9 are Junior schools. This Authority also has Nursery Schools at Aughton, Rawmarsh and The Arnold Centre.

At the time of publication of this booklet some of the Authority's primary schools have converted to, or are in the process of converting to, Academy status.

Community and Voluntary Controlled Schools and Academies

Community	This is a state school administered and financed by the Local Authority. Admission into the school is the responsibility of the Authority.
Voluntary Controlled	This is a school established by the Church authorities, but controlled by the Local Authority. In Rotherham the voluntary organisation involved is the Church of England. Admission into the school is the responsibility of the Local Authority.

Academies	An Academy is a publicly funded school, independent of Local Authority control, providing education to children of all abilities. Academy Trusts are established by Schools and may have sponsors from business, faith or voluntary groups working with partners from the local community. Academies provide a teaching and learning environment and offer a broad and balanced curriculum. Each Academy is set up as a company limited by guarantee with charitable status and will have a board of governors / trustees responsible for the governance and strategic leadership of the school. Admission into the school is the responsibility of the school governing body and not the Local Authority, although it is the Authority who will make the offer of a place on behalf of the Governing Body during the normal admission round.
------------------	---

Date of Admission to Community and Voluntary Controlled Schools and Academies

The law does not require children to be admitted to school until the beginning of the term following their fifth birthday (compulsory school age). However, the policy in Rotherham is to admit all children to school at the beginning of the Autumn Term prior to their fifth birthday. However please refer to information on delayed and deferred admission below.

Voluntary Aided Schools

This is a school established by a voluntary organisation and jointly maintained with the Local Authority. In Rotherham the voluntary organisations involved are the Catholic Church and the Church of England. Admission into the school is the responsibility of the school governing body and not the Authority, although it is the Authority who will make the offer of a place on behalf of the Governing Body.

Schools which are voluntary aided will refer to this in their schools names as below.

Church of England	By using this phrase or the initials CE along with the phrase Voluntary Aided (VA)
Catholic Church	By the use of the word Catholic in the school's name.

Date of Admission to Church of England and Catholic Voluntary Academies and Aided Schools

Voluntary Aided Schools may have different points of admission and dates of entry to those at Community, Voluntary Controlled Schools or Academies. Please contact the individual schools for further details of their dates of admission.

Trust Schools	This is a school established by a trust and jointly maintained by the Authority. Admission into the school is the responsibility of the school governing body and not the Authority, although it is the Local Authority who will make the offer of a place on behalf of the Governing Body.
----------------------	---

Deferred Entry to Primary School within the normal year of admission

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their 5th birthday if it falls on a prescribed day). The prescribed days are 31st December, 31st March, 31st August.

Rotherham Authority will make an offer of a school place for admission in the September following a child's fourth birthday. Parents/carers may request that their child's entry be deferred until later in the same school year and the place is held for that child and is not available to be offered to another child.

Parents can also request that their child takes up the place offered on a part-time basis until the child reaches compulsory school age.

Parents/carers can defer the date their child is admitted to the school until later in the school year but **not** beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made. Parents cannot apply for and accept a Reception place and then defer that place until the beginning of Year 1. If your child was born on or between 1st April and 31st

August and you are considering not enrolling your child in a school until they are in Year 1 then you are strongly advised to contact the School Admissions Team for further guidance.

If you wish to defer your child's admission or take up the place on a part-time basis you are advised to contact the Head Teacher of the school allocated to discuss the matter further. You should also notify the Admissions Team **in writing** of your intentions, email admissions.enquiries@rotherham.gov.uk.

Admission of children outside their normal age group (delayed admission)

It is generally considered better for children to stay within their peer group. The year group in which a child is taught has implications for a child's social as well as educational development. However parents may, **in exceptional circumstances**, seek a place for their child outside of their normal age group, for example if the child has experienced problems such as ill health.

In addition, the parents of a summer born child may choose not to send their child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group. There is no statutory barrier to children being admitted outside their normal age group, but parents do not have the right to insist that their child is admitted to a particular age group.

Before deciding to apply for your child to be educated outside of their normal year of admission you should first contact the school(s) you are interested in applying for to discuss your reasons and/or any concerns you have. If, having spoken to the Head Teacher(s) of your preferred school(s), you decide to proceed with your request, you should submit this in writing to the Admissions Team, with full supporting reasons for your request. **This request must be submitted, along with your application form stating your preferred school(s), by the closing date for receipt of applications for the normal year of admission.**

Upon receipt of your written request the Authority will seek and take into account the views of the Head Teacher(s) of the preferred school(s). It is possible that the Governing Body of one or more of your preferred schools(s) may be its own Admissions Authority. You should be aware that not all of your preferred schools may be in agreement with your request as one admission authority cannot be required to honour a decision made by another admissions authority. Therefore you may need to decide whether your preference for a particular school outweighs your wish to defer your child's admission until the following year.

Admission Authorities will make a decision based on the circumstances of each case and in the best interests of the child, taking into account the views of the Head Teacher, including the Head Teacher's responsibility for the internal organisation, management and control of the school. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of any relevant professional(s); and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

Where the Admission Authority agrees to a parent's request for their child to be admitted out of their normal age group, the application submitted for the normal year of admission will be withdrawn and disregarded and as such, an offer of a school place for the normal year of admission will not be made. Instead, the parent(s) will be invited to apply for a place in the admissions round for the following year but should be aware that normal admissions procedures and criteria will apply and there is no guarantee that a place will be offered at the requested school(s) just because the request to be educated out of year group has been approved. The application for a school place(s) will be considered in accordance with the oversubscription criteria along with all other applications received for the preferred school(s).

Please note - If you subsequently change your mind about which schools you wish to apply for, please be aware that consultation must take place with your new preferred school(s) as the Head Teacher may not support your request for your child's admission outside their usual year group.

Parents may wish to consider deferred or part-time entry within the normal year of admission as an alternative option (please see [Deferred Entry](#) above).

Moving on to Junior and Secondary School - Where a child has been educated out of their normal age group, their parent will again need to request admission out of the normal age group when their child reaches the age where they would normally be transferring to junior or secondary school. Requests will be re-considered by the relevant Admissions Authority to decide whether to continue educating the child out of their normal age group. A decision will be made on the basis of the circumstances of each case and

in the child's best interests, and will bear in mind the age group the child has been educated in up to that point.

Appeals - Parents who are refused a place at a school for which they have applied have the right of appeal to an independent admission appeal panel. As the purpose of the appeals process is to consider whether a child should be admitted to a particular school, parents do not have a right of appeal if they have been offered a place and it is not in the year group they would like. However, they may make a complaint about an admission authority's decision not to admit their child outside their normal age group.

Early Admission to Primary School

Although most children will be admitted to a school within their own age group, occasionally parents seek places outside of the normal age group for their child. Admission Authorities are advised to consider such requests carefully and make decisions on the basis of the individual circumstances of each case. However, it is important to note that early admission will only be considered for a maximum of one term early and will only be granted in **very exceptional circumstances**. In such cases an application must be made in writing to the Strategic Director for Children and Young People's Services, giving full details. Advice will then be requested from the Head Teacher and Chair of the Governing Body of the school at which the parent is seeking admission for their child. An Education Welfare Officer and, if necessary, an Educational Psychologist will also be asked for advice, as will the Head Teacher/Manager of the child's nursery school/setting. The full details of the application will then be considered.

Parents will need to request early admission well in advance, particularly since it will be necessary to submit an application for entry into any school within the usual cycle for admissions for the particular year. For further advice on early admission you should contact the Admissions Officer on (01709) 823777.

It should be noted that all early education providers (e.g. pre-schools, day nurseries, children's centres and some child minders) that receive funding to deliver early education to 3 and 4 year olds are required to plan activities and experiences within the Early Years Foundation Stage framework that will enable children to work towards the Early Learning Goals. Each early education provider has an Outreach Teacher who visits the nursery to ensure the curriculum is being delivered appropriately. Although the majority of children attend a school nursery for their foundation stage 1 year, it is possible for children to remain with their preschool/ day nursery provider until starting full-time school. Both schools and private/voluntary early education providers deliver the same Early Years Foundation Stage framework. If you feel your child's needs are not being met please speak to the Nursery Teacher/Manager to discuss your concerns. If you have any further queries please contact an Admissions Officer on (01709) 823777 or the Early Years Adviser on (01709) 822549.

Foundation Units

Foundation Units have been established in some primary schools. Where this has taken place the present nursery stage of education will be referred to as Foundation Stage 1 and the present Reception stage of education will be referred to as Foundation Stage 2. If a school does not have a Foundation Unit the relevant age groups will still be referred to as nursery and reception. Please see the list of schools later in this section for details of which schools have Foundation Stage 1 or nursery provision.

Please note that admission to Foundation Stage 1 or a nursery class is not a guarantee of a place in Foundation Stage 2 or reception class at the same school.

Which School?

In order to make an informed decision about which are the preferred schools for your child, you need to be aware of the variety of information available about each primary school and the ways in which you can access that information.

The table in this section shows the names and addresses of all the primary schools in Rotherham together with additional information on school size and type etc. More detailed information is provided in each school prospectus, available free of charge from the school.

The Department for Education has a website with a specific section for parents. The address is www.education.gov.uk and includes advice on expressing preferences and information on performance tables.

The Office for Standards in Education (Ofsted) is responsible for inspecting and producing reports on all schools. The report is an external and independent view of what is good and not so good about a school compared to other schools. If you want a copy of the report for a particular school you should contact that school who must make available a copy of the report, but there may be a small charge to cover administrative costs. Ofsted reports can also be downloaded from www.ofsted.gov.uk

You are advised that performance tables should not be used as the sole guide in deciding which your preferred schools are, the wider educational experience offered by each school should also be carefully considered.

You will need to consider whether the school is a reasonable distance from your home and how your child will get to school. The Council's Home to School Transport Policy can be accessed at http://www.rotherham.gov.uk/info/200086/schools_and_colleges/319/a_guide_to_school_transport/3

You need to decide what the important factors are for you and your child. You may consider the following information useful when deciding which schools to include on your application.

1 School Prospectus

All schools must publish a school prospectus giving information on:

- the school curriculum (including religious education, collective worship and sex education) and any other policy in respect to the teaching provided for children and the monitoring of progress for children.
- arrangements for children who are Looked After
- arrangements for children with special educational needs
- the ethos and values of the school
- complaints procedure
- charges for any additional school activities
- attendance
- home/school arrangements
- child protection
- the school behaviour policy

You should contact the relevant school to obtain a copy free of charge.

2 Visiting a School

You may wish to visit schools to have a look at the facilities and to speak to staff. You should contact the school to arrange an appointment or you may contact the school to find out when they are holding a parents' evening. Please be aware that visiting a school or putting your child's name down at a school is not in itself an application for a place. You **must** submit an application naming your preferred school(s) by the closing date of 15th January 2022.

You may wish to consider asking the following questions regarding any schools you are considering:

- What are the average class sizes in the school?
- How does the school monitor progress and how is this reported to parents?
- What help will be given to a child who has difficulty with a particular subject?
- How are children with special educational needs catered for?
- Does the school make special provision for gifted and talented children?
- How does the school recognise and reward achievement?
- What extra-curricular activities are there?
- Can books be borrowed to take home?
- Does the school set homework?
- What is the school's dress code?

You may wish to consider these points when you have visited a school:

- Were you given a friendly welcome from staff and children?
- Were you provided with up-to-date and useful information?
- Were you given the opportunity to ask relevant questions and were these answered well?
- Was the school well equipped?
- Did children have unlimited access to books and materials?
- Were there well-presented displays of children's work throughout the school?
- Were the children active and happy?

3 Catchment Areas

When considering which schools to include on your application you may wish to know in which school's catchment area your home address lies. Your home address will usually only fall into one school catchment area and, as this information is too large to publish in this booklet, it can be obtained by contacting the School Organisation Team on (01709) 254831 or on www.rotherham.gov.uk/schools-schooling/school-admission

There are a limited number of streets which may fall into the catchment area of two schools as a shared area. You may request a copy of a map showing the catchment area of a particular school(s) by telephoning (01709) 254831.

You are strongly advised to obtain this information direct from the School Organisation Team or from the website and not from any other source.

Certain schools do not have catchment areas. These are mainly the schools with religious affiliations. The two Controlled Schools - St Thomas' C of E Primary School at Kilnhurst and Wentworth C of E Junior and Infant School act as neighbourhood schools. The Governors of the 16 voluntary aided Church of England and Catholic Primary Schools/Academies have entered into agreements with the Local Authority on each school's admissions policy and the number of children to be admitted. The areas which these schools serve do not coincide with those of community schools. The areas are defined by the Church Authorities and they may act as neighbourhood schools.

4 Considering your preferred schools

When deciding and naming your preferences on your application you should take into account whether your child has a reasonable chance of being offered a place at the schools named i.e. is your child likely to be eligible for a place. Whilst this is not possible to predict with total accuracy you need to be aware of the following when considering your preferences:

- if you live in the catchment area
- which criteria your child will be placed in for each school
- whether the school was oversubscribed in the previous year*
- the number of places allocated in each admission criteria*

*Further information regarding the allocation of places last year can be found in pages 34-35 of this booklet.

5 Education Health and Care Plans

Most children can cope well in their primary school and some children will be given help by the inclusion support services within and available to their school. The Educational Psychology Service can give other support and advice to schools and parents/carers. Parents/carers should always inform the school of any concerns that they may have about their child.

If your child is the subject of an Education Health and Care Plan (EHCP) s/he, will have an Annual Review of their Special Educational Needs during the academic year 2021/22 (most likely within the autumn term 2021). The review will take into account your views and may make any one of the following recommendations:

- i) that your child may continue to require an EHC Plan following transfer to a primary school;
- ii) that your child's special educational needs can be met by a primary school within its own resources and with help from commonly available support services (at SEN Support stage of the graduated response). Such an outcome may result in a decision that your child's EHC Plan can be ceased;
- iii) that your child's needs would be most appropriately met in a specialist provision such as a special school or specialist unit, and not in a mainstream primary school. Such a recommendation will only happen where a child has extensive special educational needs, and you would be fully involved in these discussions and decisions.

You will be notified as soon as possible of the Authority's recommendation arising from the Annual Review and of your right to appeal to an Independent Tribunal if you wish to do so.

If your child has/will continue to have an EHC Plan please contact your assessment co-ordinator to express your preference of primary school as part of the annual review process.

If your child does not/will not have an EHC plan, then you must apply via the Authority's School Admissions Team naming your preferred primary school by the closing date for receipt of applications.

If you have any concerns about Special Educational Needs, EHC Plans, you should discuss this with your child's school/education setting. If you have any concerns about Assessments of Special Educational Needs, you can contact the EHC Assessment Team – via email on assent@rotherham.gov.uk or by phone (01709) 822660 (please note that due to COVID 19 ways of working email may be a more efficient way of contacting the team) or contact the Special Educational Needs and Disability Information, Advice and Support Service (SENDIASS) on (01709) 823627. Copies of the booklet "Special Educational Needs - A Guide for Parents/Carers" are also available from www.gov.uk/government/publications/send-guide-for-parents-and-carers

6 The Role of the Head Teacher in School Admissions

Head Teachers have no individual role in school admissions. In Community and Controlled Schools the Authority is the admissions authority and therefore only the Authority can make an offer for a place at the school and not the Head Teacher. In Academies, Voluntary Aided Schools, and Trust Schools the governing body is the admissions authority and they will determine whether a place can be potentially offered to the parent. The Authority on behalf of the governing body will make this offer.

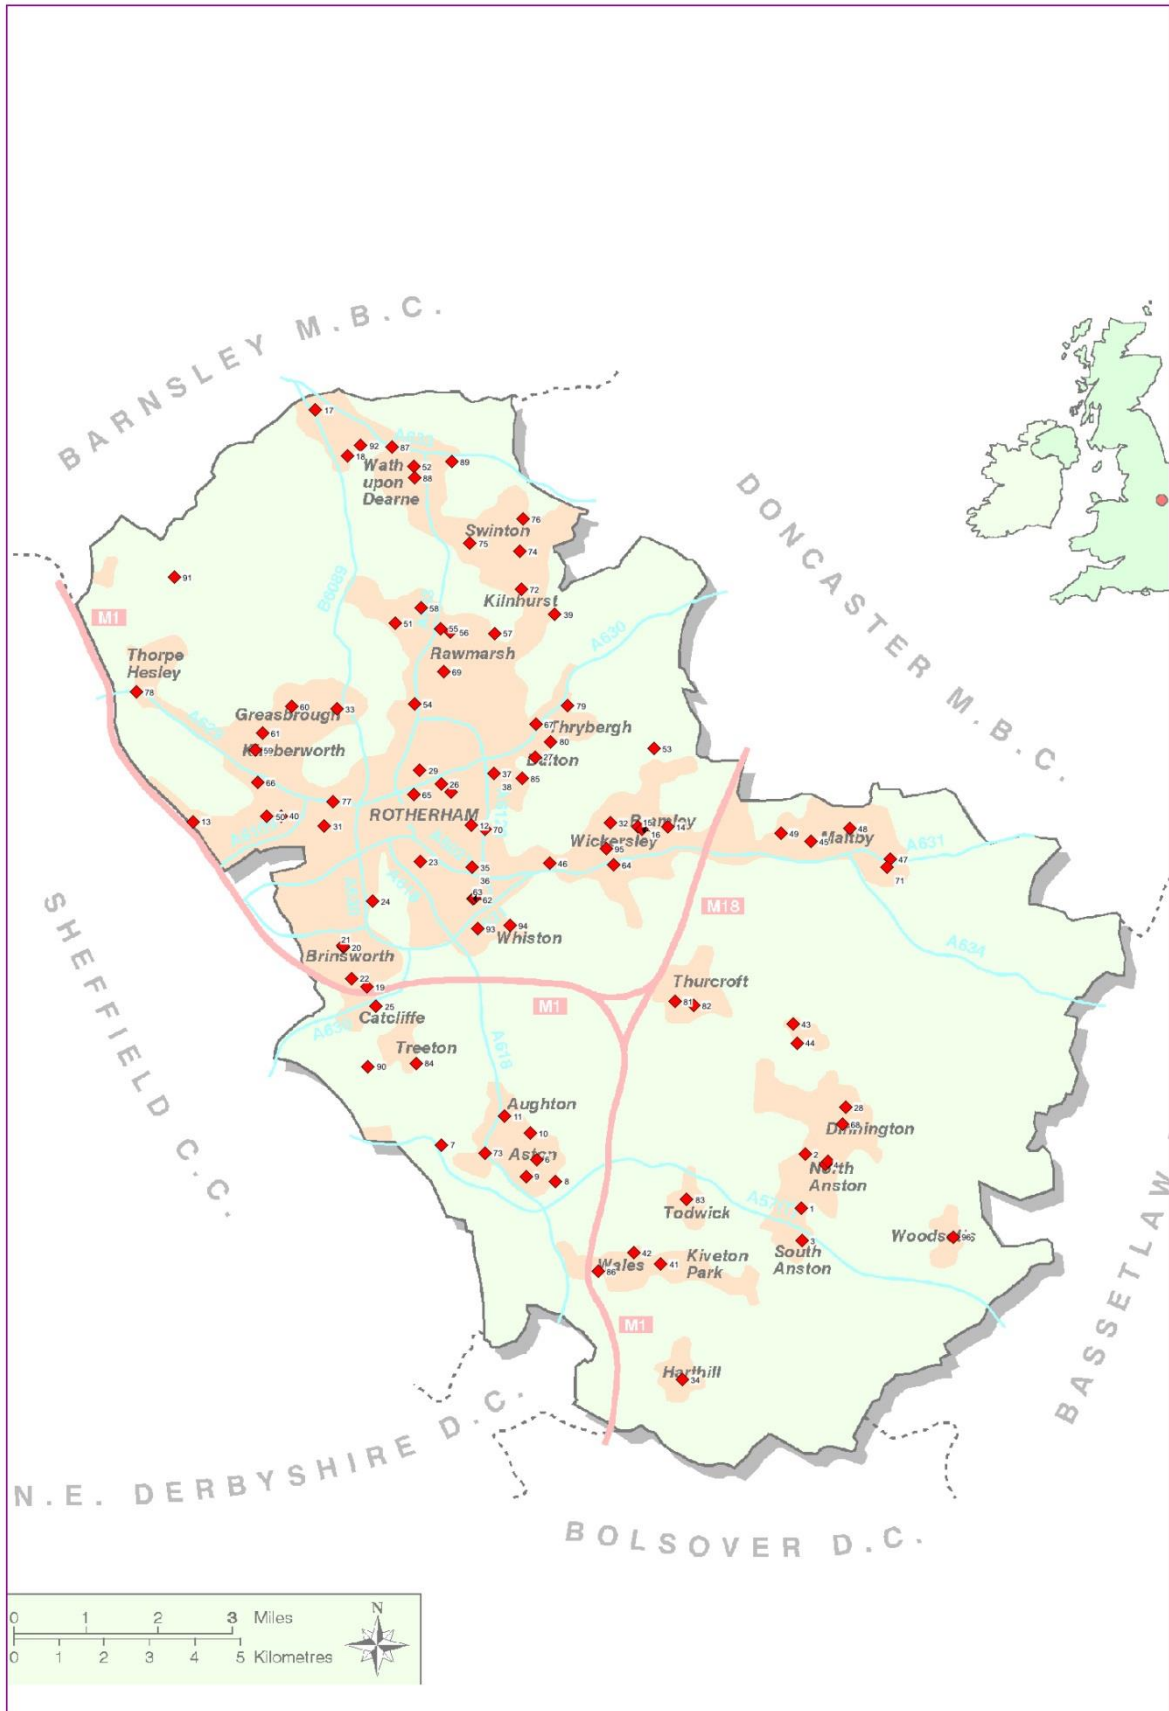

7 Role of the Local Admissions Forum

The Local Admissions Forum enables admissions authorities and other key interested parties to get together to discuss the effectiveness of local admission arrangements, seek agreement on how to deal with difficult admissions issues and advise admission authorities on ways in which their arrangements can be improved.

8 Admission to Independent Schools

Independent schools are not subject to the 1998 Schools Standards and Framework Act as amended by the Education Act 2002 and make their own admission arrangements. Rotherham Authority has no scheme to assist parents seeking places for their children at independent schools.

SECTION 5 - THE ADMISSION CRITERIA IS YOUR CHILD ELIGIBLE FOR A SCHOOL PLACE?

This section contains information on the admissions criteria for schools in Rotherham.

Parents must be aware that the Authority **does not** operate a procedure whereby parents can register their child's name at a school for admission. **ALL** Parents must complete a Common Application Form for the school year in which their child is to be admitted into primary school.

Parents who have visited a school and informed the Head Teacher of their child's name and address do so only to request that they receive information about applying for admission to primary school.

Under the provisions of the School Standards and Framework Act 1998 schools are required to admit children up to their published admission number. The admission number is the number of children that it is intended to admit into Reception/Foundation Stage 2 and is derived from the capacity of the school. Further information on admission numbers can be found in **Section 4**.

For all schools where the number of applications received is below the published admission number for the school the child will be eligible for admission to that school. In cases where the numbers of applications for a school exceeds the published admission number it will be necessary to apply the admission criteria to determine who is eligible for admission.

Children with an Education Health and Care Plan (EHCP)

A small number of children will have an Education, Health and Care Plan (EHCP). Children with an EHCP that names a school in the final Plan must be admitted to the school that is named as part of that process. The majority of children with special educational needs will not require an EHCP.

Applications for children who have special educational needs but no Education, Health and Care Plan will be considered on the basis of the Authority's published admissions criteria.

APPLYING THE ADMISSION CRITERIA FOR ROTHERHAM COMMUNITY AND CONTROLLED PRIMARY SCHOOLS AND ACADEMIES

Rotherham Authority is the admission authority for all community and controlled schools.

The Governing Body of an Academy is the Admissions Authority for the school. Places will be allocated using the Admissions Criteria for Rotherham Community and Controlled Primary Schools; places will be offered by Rotherham Authority on behalf of the Governing Body.

The Authority will consider all preferences equally, which means that no priority will be given according to the order of the preference(s), except where a potential offer can be made in respect of more than one school. Where the number of applications for a particular school is greater than the admission number, the LA will use the following criteria for allocating places at the Community and Controlled Primary Schools. Applications will be prioritised with the highest priority being given to criterion (i) then criterion (ii) and so on. Places will be potentially offered in priority order up to the published admission number.

Please refer to the individual admission policies for Church of England and Catholic Primary Schools and Academies if you wish to name one or more of these schools on your application. These can be found later in this section (please note this does not include St Thomas CE, Kilnhurst or Wentworth Church of England Schools where places will be allocated by reference to the criteria for Community and Controlled Schools.)

Where applications are received for twins, triplets, siblings born in the same academic year etc these will be treated equally as there is nothing within the admission criteria to distinguish between them.

Where the admission number is likely to be reached mid category, priority will be given to those children who, on 15th January 2022 live nearest to the school measured by a straight line on a horizontal plane (commonly known as measurement, "as the crow flies").

From all the applications received for an oversubscribed school the Authority will determine which children are eligible for a potential place in accordance with the admission criteria. Applications for the Academies in Rotherham will also be considered in accordance with the following admissions criteria. These criteria are applied equally to preferences from parents who live in Rotherham and those who do not.

ADMISSIONS CRITERIA FOR COMMUNITY AND CONTROLLED PRIMARY SCHOOLS AND ACADEMIES

Please note that where 'Authority' is stated this refers to Rotherham Authority for Community and Controlled Primary Schools and to the Governing Body of an Academy.

Places will be allocated in the following order of priority

- i) Relevant Looked After Children and previously looked after children (see note (a) below).
- ii) Children who, on 15th January 2022, have a specific medical reason, confirmed by a medical practitioner, which the Authority is satisfied makes attendance **at that particular** school essential. **Parents** should ensure that they provide full supporting information to be considered along with their application.
- iii) Children who, on 15th January 2022, have a compelling social reason which the Authority is satisfied make attendance **at that particular** school essential. The kind of overriding social reasons which could be accepted are where there is evidence that the child's education would be seriously impaired if he or she did not attend the preferred school. **Parents** should ensure that they provide full supporting information to be considered along with their application.

Please note: Very few cases are agreed annually on social grounds

- iv) Children who, on 15th January 2022, live in the catchment area of the school as defined by the Authority and it is expected will have an older brother or sister on the roll of the preferred school or its associated Junior School in Years 1-6 at the start of the academic year 2022 (see notes (b) and (c) below)
- v) Children who, on 15th January 2022, live in the catchment area of the school as defined by the Authority (see note (b) below)
- vi) Children who, on 15th January 2022, it is expected will have an older brother or sister on the roll of the preferred school or its associated Junior School in Years 1-6 at the start of the academic year 2022 (see note (c) below)
- vii) Children who, on 15th January 2022, live nearest to the school measured by a straight line on a horizontal plane, (commonly known as measurement "as the crow flies").

The admission criteria for a place in Year 3 at a junior school can be found in Section 11.

Definitions:

- a) A '**relevant looked after child**' is a child that is looked after by a local authority in accordance with Section 22 of the Children Act 1989 at the time an application for admission to a school is made, and who the local authority has confirmed will still be looked after at the time when he/she is admitted to the school.

Previously Looked After Children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). This includes those children who appear (to the admissions authority) to have been in state care outside of England and ceased to be in care as a result of being adopted. A child is regarded as

having been in state care outside of England if they were in the care or were accommodated by a public authority, a religious organisation or any other provider of care whose sole or main purpose is to benefit society. For further information please refer to the Admissions Code of Practice which can be downloaded from www.dfe.gov.uk.

- b) **Definition of Live/living.** This means that a child is habitually and normally resident at an address for a settled purpose which is **not** solely to receive education. You may be required to provide proof of residency e.g. Council Tax bill, Residence Order, etc.

The child's ordinary place of residence will be deemed to be the residential property at which the child normally and habitually resides, with the person(s) having parental responsibility, at the closing date for the receipt of the completed Common Application Form. Where residency is split equally between two people with parental responsibility the child's ordinary place of residence will be deemed to be with the person who received Child Benefit on the **15th January 2022**.

Where parental responsibility is held by more than one person and those persons reside in separate properties, the child's ordinary place of residence will be deemed to be that property at which the child normally and habitually resides for the greater part of the week including weekends, not solely for the purpose of receiving education.

Where there is a dispute between parents over which school is the preferred school for their child, parents are advised that this should be resolved by both parties either amicably or, if this is not possible, parents should seek legal advice and the matter may need to be resolved by the Family Court.

Places will be allocated based on your residential address on **15th January 2022**. Therefore you **must** notify the Admissions Team in writing if you change address before this date. You may be asked to provide proof of residence (e.g. utility/council tax bill). **If you are asked to provide proof of residence and this is not received, your original address will be used for allocation purposes.** Please also refer to the information on Fraudulent Applications below.

Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residency at the property concerned. The Authority reserves the right to request an affidavit where there is uncertainty regarding a child's ordinary place of residence. The Local Authority may undertake a home visit without prior notice to verify a child's home address.

- c) **Definition of Sibling**

For a child to be considered a sibling, one of the following conditions must exist:

- brother/sister to be permanently resident at the same address.
- stepbrother/stepsister to be permanently resident at the same address.
- Half-brother/half-sister to be permanently resident at the same address.
- brother/sister who do not live at the same residence but, who share the same parents.
- child of the parent/carer's partner to be permanently resident at the same address.
- adopted brother/sister permanently resident at the same address
- foster brother/sister resident at the same address

You may be required to provide proof e.g. Birth Certificate and proof of residence as stated above.

- d) **Definition of Distance**

Should the published admission number be reached mid category, the Authority will make a decision based on the shortest distance between the applicant's home and the school by the most direct route.

Distance measurements are calculated by the Admissions Team using a Geographical Information System which applies seed points as determined by Ordnance Survey. Measurements are taken from the seed point of the ordinary place of residence to the seed point of the school. Where the school has more than one seed point, the seed point closest to the geographical centre of the school site is used.

Where places are being allocated based on the distance criteria or as part of the distance tiebreaker, and there are insufficient places within the admission number for two (or more) children living in the same building (e.g. flats) or otherwise equidistant from the school, then any final place will be allocated by the simple drawing of lots by a person independent of the School Admissions Team.

- e) Children of UK service personnel (UK Armed Forces) – For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. This **must** include accepting a Unit postal address or quartering area address for a service child. Admission authorities must not refuse a service child a place because the family does not currently live in the area, or reserve blocks of places for these children.

FRAUDULENT APPLICATIONS

Rotherham Authority takes very seriously any attempt to gain an advantage in the admissions process by giving false information. It is really important that the admissions system is fair for everybody. Nobody should be allowed to cheat by using a friend or relative's address, a business address or by temporarily renting a property near to a popular school and then returning to their original home address.

Each year a number of parents try to get a school place by providing false information, which could result in them taking a place that should have gone to another child. The Admissions Team will investigate all instances where a parent is thought to have used a false address or other misleading information in order to gain a place at a school for their child. Your address will be checked by reference to various records and, if necessary, by a council officer visiting the application address or any previous/alternative address.

Once the Authority has made an offer of a school place it may be withdrawn if the offer was made on the basis of a fraudulent or intentionally misleading application or information from a parent which effectively denied a place to a child with a stronger claim, even if the child has already started at the school.

In recent years a number of school places were withdrawn from children after it was proven that their parent(s)/carer(s) had supplied intentionally misleading or fraudulent information or had failed to notify the Admissions Team that they were no longer living at the address given on the application form.

Where a place or an offer has been withdrawn, the application will be re-considered and a right of independent appeal offered if the place is refused, the child's name will also be placed on the waiting list if the preferred school is oversubscribed.

REPEAT APPLICATIONS

It should be noted that it is the Authority's policy that repeat applications made for entry to the same year group at the same school **will not** be considered unless there has been a significant and material change of circumstances which is relevant to the application for admission and which has not previously been taken into consideration in either the application or appeals stages.

ADMISSION ARRANGEMENTS FOR CHURCH OF ENGLAND AND CATHOLIC PRIMARY SCHOOLS AND ACADEMIES

This following information is for parent(s)/carer(s) who intend to apply for a place at a Church of England and/or Catholic Primary School. Please note reference to 'schools' below will also include Academies.

Please refer to the individual policy for your preferred school(s) in conjunction with this information. Individual admission policies for each Church of England and Catholic Primary School are given on the following pages.

If you wish to apply for a place at a Church of England or Catholic Primary School, in another Local Authority you should contact the school and the LA which maintains that school for details of the admissions policy.

If you require any clarification regarding a particular school's admissions policy please contact the individual school or the Admissions Team on Rotherham (01709) 823777.

Additional Information Required by Church of England and Catholic Primary Schools

All parents who name their preferred schools on the Authority's Common Application Form are regarded as having made valid applications.

However, Church of England and Catholic Schools require additional information, which is not contained on the Application Form and relates to the church of which they are a member. Therefore, in addition to the Application Form each school will require a Supplementary Information Form to be completed by applicants. If you wish your application to be considered under any of the faith criteria the supplementary information provided will be used by the Governing Bodies of the Church of England and Catholic schools in applying their admission criteria. Completion and return of the Supplementary Information Form does not guarantee a place at the school. Some schools may also require additional supporting information such as a baptismal certificate or proof of address.

The Supplementary Information Form is available to download from the Local Authority website www.rotherham.gov.uk/education or by telephoning the Admissions Team on 01709 823777 to request a copy.

Parents / carers whose application is based on attendance at a church of Christian denomination should submit the Minister of Religion Reference form in addition to their Common Application Form.

Where a Supplementary Information Form is not submitted with your application it is likely to affect the consideration given by the governing body of that school to your preference and consequently the admission category which your child is placed into.

Co-ordinated Scheme for Admission Arrangements

In order to provide every parent with an offer of one single place the Authority will be working with the Governing Bodies of the Church of England and Catholic Primary schools within the Rotherham area. Details of the co-ordinated scheme can be obtained from the Authority.

Applications outside of the normal admissions round

Applications outside the normal admissions round will be dealt with in accordance with the Authority Scheme unless otherwise stated.

The school is a Voluntary Aided School in which the Governing Body is the Admission Authority and responsible for admissions. It is guided in that responsibility by the requirements of the law, the school trust deed, by advice from the Diocesan Board of Education and its duty to the community and Common Good.

This policy should be read in conjunction with the rest of this booklet.

The admission number for this year is 40 and all children will be admitted during the Autumn Term prior to their 5th birthday. Where parents wish to defer entry or request that the child attends part-time, the request will be considered where it appears to be in the best interest of the child.

TRINITY CROFT CHURCH OF ENGLAND PRIMARY ACADEMY

Admissions Policy 2022/23

Introduction

Trinity Croft Church of England Primary Academy is a Church of England Academy in the Diocese of Sheffield and is part of the Diocese of Sheffield Academy Trust (DSAT).

The academy provides a distinctively Christian education for children aged 3+ to 11+ year.

The Church of England's stated position that "*Our schools are not faith schools for the faithful, they are Church schools for the community*"¹ is the principle that admission to Trinity Croft Church of England Primary Academy is prioritised and children from the local community are all welcome. Our ethos in school is one which is wholly Christian and children are educated and expected to behave in a way that is Christian whilst experiencing a wide range of multi-cultural and religious education to have tolerance, understanding and empathy for those who are different in anyway. We aim to "*offer a safe and welcoming place to all God's children*".²

The Academy's Governing Body is the Admission Authority and is responsible for admissions. It is guided in that responsibility by the requirements of the law, the academy trust deed, by advice from the Diocesan Board of Education and its duty to the community and Common Good.

This policy should be read in conjunction with the rest of this booklet.

Admission to Foundation Stage 1 (Nursery)

The admission number for 2022/23 is 25.

Children may be admitted to F1 at the start of the term after their 3rd birthday. Applications will be prioritised for children who fall into this bracket for the Autumn Term and subsequent places will be allocated on a termly basis. If there are 25 admission requests for children who will be 3 on 1st September, there will be no further admission into this cohort in the spring and summer terms. If there are spaces available, admission requests into this year group will be considered through the waiting list we hold for subsequent years. The school will contact parents who have submitted an application to the school already.

The school will offer the 30 hours entitlement for eligible families who are registered with the LA. An extended day provision may be offered to families who request it at an additional cost. This is in addition to the 15 hours free education funded by the government.

Admission to Foundation Stage 2 (Reception)

The admission number for 2022/23 is 25.

Children will be admitted during the autumn term following their 4th birthday for Foundation Stage 2. Where parents wish to defer entry or request that the child attends part-time, the request will

The school provides a distinctively Christian education for children aged **3 to 11** years.

Historically, Anglican schools were parish schools providing education for the community in accordance with the principles of the Church of England. Thus the majority of Sheffield Diocesan schools were established to provide education for the children of the parish within a Christian context. The two aims of being 'distinctively Christian' and 'serving the local community' are reflected in the school's admission criteria.

St Alban's is a Voluntary Aided Primary School in which the Governing Body is the Admission Authority and responsible for admissions. It is guided in that responsibility by the requirements of the law, the school trust deed, by advice from the Sheffield Diocesan Board of Education and its duty to the community.

This policy should be read in conjunction with the rest of this booklet.

The admission number for 2022/23 is 30 and children will be admitted during the Autumn term prior to their 5th birthday.

Please contact the school if you need help in completing the Common Application Form or Supplementary Information Form.

Making an Application

1. Applications are made on the **Common Application Form**
2. To support your application to St Alban's C of E Primary School, please complete the **Supplementary Information Form**. This is not an application form for admission to school but will be used by school when applying the admissions criteria.
3. The Common Application Form should be submitted by 15th January 2022 along with the Supplementary Information Form (if applicable).

CRITERIA FOR ADMISSION

- Children who have an Education, Health and Care Plan and the school is named as the most appropriate education setting for the child will be admitted.

Oversubscription Criteria

Where there are more applications for admission than the published admission number, the Governing Body will apply the following criteria in strict order of priority:

1. Children in care / Looked after children and children who were previously in Care/ Looked after. (see definition 1)
2. Children with special medical or social circumstances where these needs can only be met at this school. (see definition 2)
3. Children who have an elder brother/sister (see definition 3) attending the school at the time of anticipated admission.
4. Children of staff (see definition 7)

5. Children whose parents/carers who reside in the ecclesiastical parish of Wickersley and regularly attend a Christian denomination participating in 'Churches Together in England' (see definition 6).
6. Children whose parents/carers reside outside the ecclesiastical parish of Wickersley and regularly attend a Christian denomination participating in 'Churches Together in England'
7. Children whose parents/carers are resident in the ecclesiastical parish of Wickersley.
8. All other children.

Should the admission number be reached mid-category, applications in that category will be prioritised on the shortest distance measured in a straight line from the child's home address (including flats) to the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving higher priority.

Tie break

In the event of two or more children living equidistant from the school, the place will be decided by drawing lots. The first name drawn will be offered the place.

Definitions

Definition 1 – Looked After Children

Children who are in Public Care (Looked After Children) or previously in Public Care – (see note (a) on pages 37-38.

Definition 2 – Children with Special Medical or Social Circumstances

This is not about educational needs. Professional supporting evidence must be provided if admission is to be made under this criterion. A professionally qualified person such as a medical doctor, psychologist or social worker must set out the particular reasons why the school is the suitable one for the child and the difficulties which would be caused if the child had to attend another school.

Definition 3 – Brother/Sister

Brother or sister means sibling, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child should be living in the same family unit at the same address.

Definition 4 – Parent/Carer

A parent/carer is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. 'Family members' include only parents and siblings.

Definition 5 – Regular Church Attendance

Regular attendance by parents/carers is defined as attendance at a Church of England church or another Christian denomination participating in 'Churches Together in England' for at least twice a month over the last 12 months (calendar year January – December in the year preceding entry in FS2).

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Parents/carers whose application is based on attendance at a church of Christian denomination should submit the Minister of Religion Reference Form available with the Common Application Form.

Definition 6 – Churches Together in England

Member churches: Ref: www.cte.org.uk. Please refer to the website for an up to date list.

Definition 7- Children of staff at school

- a) where the member of staff has been employed at the school for two years or more at the time at which the application for admission to the school is made and / or
- b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage

Place of Residence

The child's ordinary place of residence will normally be a residential property at which the parent or person or persons with parental responsibility for the child resides at the closing date for receiving applications for admission to the school.

Where parental responsibility is held by more than one person and those persons reside in separate properties, the child's ordinary place of residence will normally be the property at which the child resides with the parent or person or persons with parental responsibility, for the greater part of the week.

Late Applications

Late applications will be dealt with in accordance with the Local Authority scheme.

Waiting List

The waiting list will be operated in accordance with the Rotherham Authority Scheme. Please refer to Section 8 – Waiting Lists on Page 117.

False Information

1. Where the Governing Body has made an offer of a place at this school on the basis of a fraudulent or intentionally misleading application from a parent /carer which has effectively denied a place to a child with a stronger claim to a place at the school, the offer of a place will be withdrawn.
2. Where a child starts attending the school on the basis of fraudulent and intentionally misleading information the place may be withdrawn depending on the length of time that the child has been at the school.
3. Where a place or an offer has been withdrawn, the application will be re-considered and a right of independent appeal offered if the place is refused.

Applications outside the normal admissions round

Applications outside the normal admissions round will be considered in accordance with the Local Authority scheme.

Appeals Against the Governing Body's Decision to Refuse Admission:

Please refer to Section 9 - Information on Appeals on pages 120.

ST JOSEPH'S CATHOLIC PRIMARY SCHOOL, DINNINGTON

Admissions Policy 2022/23

St Joseph's Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and articles of association and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The governing body has set its admission number at 28 pupils to be admitted to the reception year in the school year which begins in September 2022.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number (PAN).

Pupils with an Education, Health and Care Plan

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

OVERSUBSCRIPTION CRITERIA

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish of St Joseph's, Dinnington. (see notes 3&11)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
7. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
8. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the

application will be placed at the top of the category in which the application is made. (see note 10)

- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated [on the basis of a straight-line measurement between the front door of the child's home address (including the community entrance to flats) and the main entrance of the school] [using the local authority's computerised measuring system on the following basis. Highest priority will be given to those living closest to the school. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round, you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 6 to 8. The Supplementary Information Form (SIF) should be returned to the Local Authority Admissions Team by 15th January 2022.

You will be advised of the outcome of your application on 19th April 2022 by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 3 or 6 to 8, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2022.

Late Applications

Late applications will be administered in accordance with the Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to the Head Teacher and Local Authority Admissions Team at the same time as the admission application is made. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting List

The waiting list will be operated in accordance with the Rotherham Authority Scheme. Please refer to Section 8 – Waiting Lists on Page 117.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Applications will be dealt with in accordance with the LA scheme and should be made to the school by completing the Common Transfer Form and submitting to the Local Authority Admissions Team.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after but ceased to be so because he or she was adopted or became subject to a child arrangements order or special guardianship order.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest [who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church].

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
 - A religion which involves belief in more than one God, and
 - A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'brother or sister' includes:
- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.
9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
10. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the governing body will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.
11. A child's home address refers to the address where the child usually lives with a parent or carer and will be the address provided in the Common Application Form (CAF). Where parents have a shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

ST JOSEPH'S CATHOLIC PRIMARY SCHOOL, RAWMARSH

Admissions Policy 2022/23

St. Joseph's Catholic Primary School (Rawmarsh) was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The governing body has set its admission number at 20 pupils to be admitted to [the reception year] in the school year which begins in September 2022.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

Pupils with an Education, Health and Care Plan

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

OVERSUBSCRIPTION CRITERIA

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish of St. Joseph's Rawmarsh. (see notes 3&11)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
7. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
8. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made. (see note 10)
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated using the local authority's computerised measuring system on the following basis: The distance to the school is measured by a straight line on a horizontal plane (commonly known as measurement 'as the crow flies'). The measurement is determined by a Geographical Information System, which is based on Ordnance Survey information. Distance measurements are calculated by the Admissions Team using a Geographical Information System, which applies seed points as determined by Ordnance Survey. Measurements are taken from the seed point of the ordinary place of residence to the seed point of the school. Where the school has more than one seed point, the seed point closest to the geographical centre of the school site is.

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round, you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 6 to 8. The Supplementary Information Form (SIF) should be returned to the Local Authority Admissions Team by 15th January 2022.

You will be advised of the outcome of your application on 19th April 2022 or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 3 or 6 to 8, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2022.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Any such request should be made in writing to the Headteacher at Saint Joseph's School and the Local Authority Admissions Team at the same time as the admission application is made. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. Waiting Lists

The waiting list will be operated in accordance with the Rotherham Authority Scheme. Please refer to Section 8 – Waiting Lists on Page 117.

In-Year Applications

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The governing body has set its admission number at 45 pupils to be admitted to Foundation Stage 2 in the school year which begins in September 2022.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

Pupils with an Education, Health and Care Plan

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish(es) of St Bede's. (see notes 3&11)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
7. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
8. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made. (see note 10)
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8)
- (iii) In each of the above categories priority in each category is given to those already attending St Bede's EYFS1 ahead of those attending other nursery providers after children in (i) and (ii) above

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated on the basis of a straight-line measurement between the front door of the child's home address (including the community entrance to flats) and the main entrance of the school using the local authority's computerised measuring system on the following basis. Highest priority will be given to those living closest to the school. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round, you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 6 to 8. The Supplementary Information Form (SIF) should be returned to the Local Authority Admissions Team by 15th January 2022.

You will be advised of the outcome of your application on 19th April 2022 by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 3 or 6 to 8, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2022.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent

should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to Foundation Stage 2 rather than year 1.

Any such request should be made in writing to the Headteacher of St Bede's School and the Local Authority Admissions Team at the same time as the admission application is made. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

The waiting list will be operated in accordance with the Rotherham Authority Scheme. Please refer to Section 8 – Waiting Lists on Page 117.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Application should be made to the school by completing a Common Transfer Form and submitting this to the Primary Admissions Team in the Local Authority.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

Foundation Stage 1

For children attending the school's Foundation Stage 1, application to the Foundation Stage 2 class of the school must be made in the normal way, to the home local authority. Attendance at the school's Foundation Stage 1 does not automatically guarantee that a place will be offered at the school.

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after but ceased to be so because he or she was adopted or became subject to a child arrangements order or special guardianship order.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest [who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church].

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. "Children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
 - A religion which involves belief in more than one God, and
 - A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'brother or sister' includes:
 - (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.
9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
10. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the governing body will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.
11. For the purposes of this policy, parish boundaries are as shown on the relevant map and will be applied to the admission arrangements for 2022/2023.

ST. GERARD'S CATHOLIC PRIMARY SCHOOL

Admissions Policy 2022/23

St. Gerard's Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and articles of association and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The governing body has set its admission number at 23 pupils to be admitted to [the reception year] in the school year which begins in September 2022

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

Pupils with an Education, Health and Care Plan

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

- 1 Catholic looked after and previously looked after children. (see notes 2&3)
- 2 Catholic children who are resident in the parish(es) of St. Gerard's and Blessed Trinity (see notes 3&11)
- 3 Other Catholic children. (see note 3)
- 4 Other looked after and previously looked after children. (see note 2)
- 5 Catechumens and members of an Eastern Christian Church. (see notes 4&5)
- 6 Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
- 7 Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
- 8 Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order:

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the

application will be placed at the top of the category in which the application is made. (see note 10)

- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated on the basis of a straight-line measurement between the front door of the child's home address (including the community entrance to flats) and the main entrance of the school using the local authority's computerised measuring system on the following basis. A Geographical Information System is used which applies seed points as determined by Ordnance Survey. Measurements are taken from seed point of the ordinary place of residence to the seed point of the school. Where the school has more than one point, the seed point closest to the geographical centre of the complex is used. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round, you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 6 to 8. The Supplementary Information Form (SIF) should be returned to the Local Authority Admissions Team by 15th January 2022.

You will be advised of the outcome of your application on 19th April 2022 by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 3 or 6 to 8, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2022.

child would mean exceeding the published admission number (subject to the infant class size exceptions).

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

- 1 An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
- 2 A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after but ceased to be so because he or she was adopted or became subject to a child arrangements order or special guardianship order.
- 3 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest [who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church].
- 4 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
- 5 'Eastern Christian Church' includes Orthodox Churches and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
- 6 "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7 “children of other faiths” means children who are members of a religious community that does not fall within the definition of ‘other Christian denominations’ at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8 ‘brother or sister’ includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent’s partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.

9 A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

10 To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the governing body will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.

11 For the purposes of this policy, parish boundaries are the map available in school and will be applied to the admission arrangements for 2022/23.

OUR LADY AND ST JOSEPH'S CATHOLIC PRIMARY SCHOOL

Admissions Policy 2022/23

Our Lady and St. Joseph's Catholic Primary School (Wath) was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The governing body has set its admission number at 30 pupils to be admitted to [the reception year] in the school year which begins in September 2022.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

Pupils with an Education, Health and Care Plan

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish of St. Joseph's Wath Rotherham. (see notes 3&11)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
7. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
8. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order:

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made. (see note 10)
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated using the local authority's computerised measuring system on the following basis: The distance to the school is measured by a straight line on a horizontal plane (commonly known as measurement 'as the crow flies'). The measurement is determined by a Geographical Information System, which is based on Ordnance Survey information. Distance measurements are calculated by the Admissions Team using a Geographical Information System, which applies seed points as determined by Ordnance Survey. Measurements are taken from the seed point of the ordinary place of residence to the seed point of the school. Where the school has more than one seed point, the seed point closest to the geographical centre of the school site is.

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round, you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 6 to 8. The Supplementary Information Form (SIF) should be returned to the Local Authority Admissions Team by 15th January 2022.

You will be advised of the outcome of your application on 19th April 2022 by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 3 or 6 to 8, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2022.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the

school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to the Headteacher at Our Lady and Saint Joseph's School and the Local Authority Admissions Team at the same time as the admission application is made. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

The waiting list will be operated in accordance with the Rotherham Authority Scheme. Please refer to Section 8 – Waiting Lists on Page 117.

In-Year Applications

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. The Local Authority will, in so far as is possible, co-ordinate all in-year transfers for all voluntary aided primary schools and academies in Rotherham in 2022/23. Parents should complete a common application form (Transfers) via the local authority website or by contacting the School Admissions Team on 01709 823777.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

SECTION 6 - MAKING AN APPLICATION FOR A SCHOOL PLACE

This section of the booklet is about the procedure you must follow to apply for a school place.

Before you submit your application you are strongly advised to read this entire booklet and to have taken particular note of:

Section 3 How the Arrangements Work

This explains how, from the three preferences you express for a school, the Authority determines which school to offer you for your child.

Section 5 The Admissions Criteria – Is Your Child Eligible for a School Place?

This explains how, when a school has more applications than places available, it is decided if a child is eligible for admission.

Procedure for applying for a school place for Rotherham residents

If you are resident in Rotherham and you wish to apply for a school place for your child you **MUST** apply via Rotherham Authority.

If you wish to apply for a place for your child at a school in another authority you should name this school as one of your three preferences on the Rotherham Common Application Form. However you are advised to contact the relevant local authority for a copy of their Admission to Primary School Booklet, as their Admission Criteria may differ from Rotherham's.

The addresses of neighbouring education authorities and their telephone numbers are provided in Section 12.

Key points on submitting your application- you can apply for:-

- A Community School in Rotherham.
- A Catholic Primary School in Rotherham.
- A Church of England Primary School in Rotherham.
- An Academy in Rotherham
- A school in any other Local Authority.
- **DO NOT** name the same school twice – doing so will not increase your chance of obtaining a place for your child at that school and you may miss out on the opportunity of a place at a school which you could have requested as a 2nd or 3rd preference.
- **DO** put the names of the schools in your order of preference – the school you most want your child to attend should go in box 1, your second preference school in box 2 and your third preference school in box 3.
- Complete all sections.

Places will be allocated based on your residential address on 15th January 2022. Therefore you MUST notify the Admissions Team in writing if you change address before this date. You may be asked to provide proof of residence (e.g. utility /council tax bill). If you are asked to provide proof of residence and this is not received, your original address will be used in the allocation of places.

- You must ensure that the Admissions Team are in receipt of your Common Application Form by **15th January 2022**.

What to do if you change your mind about the preference(s) you have made

What to do depends on **when** you change your mind.

If you change your mind **BEFORE** the 15th January 2022

- 1) If you have completed an online application you can make changes up to 15th January 2022 (please remember to re-submit your application after making any changes). You should receive an automated email confirming your new preferences upon submission
- 2) Alternatively request and complete a new Common Application Form Return it to the Admissions Team, Children And Young People's Services, Riverside House, Main Street, Rotherham, S60 1AE by 15th January 2022
- 3) Or email admissions.enquiries@rotherham.gov.uk with your new preference(s)
- 4) If you are completing or emailing a change of preference please name your original preferences along with your new ones.

Please note - Parents need to be aware that the Authority will only process one Common Application Form per child at any given time.

By submitting a second Common Application Form, emailing or resubmitting an online application a parent is notifying the Authority to disregard the original application submitted. The Admissions Officer will then withdraw your original application and only your new preferences will be considered.

If you change your mind **AFTER** 15th January 2022

If you change your preference after 15th January 2022 this will be dealt with as a late application **after** 19th April 2022. Your original application will still be considered and a letter will be issued, based on this application, on 19th April 2022. Consideration will then be given to your second Common Application Form.

If you wish to proceed and change your mind about the preference(s) you have made, the procedure is given below. However you are strongly advised to contact the Admissions Team before doing so.

- 1) Contact the Admissions Team on (01709) 823777 and let them know you wish to change your preference(s) on the Common Application Form.
- 2) Alternatively you can email your new preferences to admissions.enquiries@rotherham.gov.uk

IMPORTANT NOTE – You should be aware that, if it is possible to offer a place at your new (late) preference, the offer of a school place made to you on 19th April 2022 will be withdrawn and may be re-allocated to another child.

Therefore if you are happy with the offer made to you on 19th April and do **not** wish this school to be withdrawn, if it is possible to offer a place at a school named on your late application, it is **important** that

you notify the Admissions Team **IMMEDIATELY on receipt of your offer email/letter**. Please also refer to Section 7 of this booklet.

If you change your mind **AFTER THE OFFER DAY** of 19th April 2022

Contact the Admissions Team on (01709) 823777 to discuss your change of preference as this will affect the offer of a school place already made for your child.

Parents Resident Outside Rotherham but applying for a Rotherham School

- Any application for a place in a school outside your own authority should be made to the local authority in which your child resides naming your preferred Rotherham school(s).
- Follow the procedures for submitting the Common Application Form to your local authority. Do not apply direct to Rotherham.
- Your Local Authority will liaise with Rotherham with regard to the availability of a place at your preferred school(s).
- On 19th April 2022 your Local Authority will write to you with a single offer of a school place for your child. This may be for a school in Rotherham if it is possible to offer a place at your preferred school.

GENERAL DATA PROTECTION REGULATIONS (GDPR)

The information you supply will be used to consider your request for your child to be admitted to a school. This information is recorded on a secure computer system; any paper documentation may be scanned and saved electronically for future reference. Paper records are stored securely as confidential information and will be destroyed within agreed timescales.

Where necessary and as appropriate, information will be shared with other service areas within Rotherham Council or with external agencies that are involved in the health and welfare of children in line with information sharing agreements. If you have named a school in another Authority, a copy of your application will be forwarded by secure electronic means to that particular Authority for consideration.

If you have any questions, please contact the Admissions Team on 01709 823777 or email **admissions.enquiries@rotherham.gov.uk**.

Please note that completion and return or submission of a Common Application Form does not guarantee a place at any of your preferred schools.

SECTION 7 - HOW ARE APPLICATIONS PROCESSED?

This section explains what will happen to your Common Application Form after it is received by the Admissions Team.

All Admission Authorities will be operating an “equal preference” system in relation to all preferences. For further details see **Section 3** or, if you require further advice please contact the Admissions Team.

Stage 1 – is your child eligible for admission to the school?

Stage 2 – at which school will an offer of a place be made?

STAGE 1

It will be for the relevant Admission Authority to determine whether your child is eligible for admission and therefore whether a potential offer of a school place could be made.

a) **Procedure for Common Application Forms where only preferences for Rotherham Schools have been expressed**

The Admissions Team will count the number of applications for each school received by the closing date.

- If the number of applications is below the admission number the child is eligible for admission to the school.
- If the number of applications is above the admission number then places will be allocated in accordance with the admission criteria in Section 5 of this booklet.
- Copies of all the Common Application Forms, including a preference(s) and Supplementary Information Form for Catholic and Church of England Primary Schools or Academies will have been forwarded to the Governing Body of each school as the Governing Body is the admission authority for their school.

The Governing Body will put the applications in order of priority. To do this they will use their admission criteria and the Supplementary Information Form attached to the Common Application Form. They will send the Admissions Team a list of all the names of children with applications for the school. This list will have the names in priority order of eligibility for admission.

b) **Schools in Rotherham and/or other local authorities**

- If you have named a Rotherham School on your form please read the procedure above.
- If you have named a primary school in another authority, your application will be sent to the relevant Admission Authority.
- The Admissions Officers in other authorities, will inform the Rotherham Admissions Team of the outcomes of all applications made by Rotherham residents for their school(s).

STAGE 2

For each of the three schools on the Common Application Form, the appropriate Admission Authority will know whether your child is eligible for admission to each school. If your child is eligible for admission there is a potential offer.

The single offer of a school place will be for the highest named school on your application at which your child has a potential offer.

Please refer to the table in **Section 3** illustrating the 8 possible outcomes for your three preferences.

On the 19th April 2022 the Admissions Team in Rotherham will either email (if you have applied online and selected this option) or send a letter to all parents of children resident in Rotherham making the single offer of a place.

What to do when you receive your offer letter

- If you are happy with the offer of a school place in Rotherham staff at the school will contact you in due course. However if the school offered is in a neighbouring Authority, you may be required to confirm in writing whether or not you wish to accept the offer of a place.
- If you do not require the place offered as you have made alternative arrangements for your child's education then you must write and tell the appropriate Admissions Authority as soon as possible as there may be a waiting list for the school. You will need to confirm the details of your alternative arrangements (i.e. an alternative school offer or moving out of area). If the school offered is not one of your original preferences, as these were oversubscribed, it is **not** possible to decline and withdraw this place until a place at an alternative school has been confirmed.
- If you do not accept the offer of a place and wish to appeal for a place(s) at one or more of your preferred school(s) please refer to **Section 9**.

What happens if your child is not eligible for admission to any of the three schools you have listed on the Common Application Form?

Children living in Rotherham

Where the Admissions Team cannot make a single offer for any of the three preferences stated on your Common Application Form, a place will be allocated for your child at your catchment area school (if places are available) or the next nearest community or voluntary controlled school in Rotherham with places available.

Brampton Ellis CE Primary School or one of Rotherham's Academies may also be offered under this process if places are still available.

For an explanation of how the nearest school is decided, please refer to **Section 5**. You do of course have the right to an independent appeal for all of the schools at which your child has been refused a place.

Children living in another Authority

Please contact the Admissions Team in your home Authority for advice.

LATE APPLICATIONS

Rotherham Schools

- Applications received by the Authority up to and including 15th January 2022 will be included in the allocation of places made on 19th April 2022.
- You will **not** be offered a school place for your child on 19th April 2022 if the Admissions Team has **not** received an application form from you by 15th January 2022.
- If you have made a **late** application after 15th January 2022 and up to and including 19th April 2022 you will be notified whether your child is eligible for a place at one of your preferred schools in writing on 20th May 2022.
- If you submit a late application after 19th April you will be notified as soon as possible whether your child is eligible for a place at one of your preferred schools.

Brampton Ellis CE Primary School or one of Rotherham's Academies may also be offered under this process if places are still available.
- If a Common Application Form is not received from you by 1st June 2022 and your child is a Rotherham resident a place will be allocated for your child at your catchment area school (if places are available) or the next nearest community or controlled school in Rotherham with available places. Brampton Ellis CE Primary School or one of Rotherham's Academies may also be offered under this process if places are still available.

Schools not in Rotherham

Common Application Forms which are received after **15th January 2022** and name a school in a different Authority will be forwarded to the relevant Authority. You are advised to have contacted that Admission Authority for details of how it deals with any applications received after this date.

You should read the information in the relevant Authority's Admission Booklet regarding late applications or alternatively, contact Admissions Officers at that Authority if you require further advice.

WHAT HAPPENS IF YOUR CHILD IS NOT ELIGIBLE FOR A PLACE AT ONE OF YOUR PREFERRED SCHOOLS

- If you have not been offered a place at any school which you named as a higher preference on your common application form than the school at which you have been offered a place, then your child's name will automatically be placed on the waiting list for the school(s) concerned.
- For children living in Rotherham where the Admissions Team cannot make a single offer for any of the three preferences stated on your Common Application Form, a place will be allocated for your child at your catchment area school (if places are available) or the next nearest community school in Rotherham with places available. Brampton Ellis CE Primary School or one of Rotherham's Academies may also be offered under this process if places are still available.

For an explanation of waiting lists see **Section 8**.

- For any preference expressed by you where the Authority has not offered you a place for your child, you have the right of appeal to an independent appeal panel.

NOTICE OF APPEAL

This is the form which must be completed if you wish to request that your case for admission into a school, at which you have not been offered a place for your child, is considered by an Independent Appeal Panel. For an explanation of Admission Appeals see **Section 9**.

SECTION 8 - WAITING LISTS FOR OVERSUBSCRIBED SCHOOLS

Rotherham Schools

On the Offer Day of **19th April 2022**, the Admissions Team will establish a waiting list for primary schools in Rotherham, where the number of applications for those schools has exceeded the available places in Reception/Foundation Stage 2.

Your child's name will automatically be put on the waiting list for a school where they have not been made an offer of a place and where that school is named as a higher preference than the school at which an offer has been made. For more information on when your child's name will be placed on the waiting list for your preferred school, please refer to Table A.

Inclusion of your child on a waiting list does not guarantee that a place will become available at that school.

When a place does become available it will be allocated to the child whose name is at the top of the waiting list on the day that the LA receives **written** confirmation of the vacancy. Where a number of children fall under the same admissions criterion, priority will be given to those children who live nearest to the school measured by a straight line on a horizontal plane (commonly known as measurement "as the crow flies").

If your child is offered a place at a school from the waiting list and the school is named as a higher preference than the school where they were previously offered, the place at the school originally offered will be withdrawn. **If you wish to keep the place at the school first offered you should contact an Admissions Officer immediately on receipt of the letter.**

Table A

Date application received by Admission Officers	Parent(s)/carer(s) notified of the decision	Date on which your child's name will be placed on the waiting list for your preferred school(s)
Applications received by 15th January 2022 . (All applications received after this date will be deemed as late applications.)	19th April 2022 - decision letters/emails sent to parents advising them of the outcome of their application.	19th April 2022 - waiting lists established for each oversubscribed school. These will automatically include the names of children who have not been made an offer of a place at a school named as a higher preference on the application form than the school which has been offered.
Applications received from 16th January 2022 to 19th April 2022 inclusive.	20th May 2022 - decision letters sent to parents advising them of the outcome of their application.	20th May 2022 - waiting lists are updated to include the names of children whose application was received between the dates shown and for whom an offer of a place has not been made at a school named as a higher preference on the application form than the school offered.
Applications received from 20th April 2022 to 19th May 2022 inclusive.	From 20th May 2022 - letters will be posted to parents advising them of the outcome of their application.	As of 20th May 2022 - waiting lists will be updated to include the names of children whose application was received between the dates shown and for whom the offer of a place has not been made at a school named as a higher preference on the application form than the school offered.
Applications received from 20th May 2022 to 31st December 2022 inclusive.	Letters will be posted to parents following receipt of their application advising them of the outcome of their preference.	The names of children whose applications are received after 20th May 2022 , and for whom the offer of a place has not been made at a school named as a higher preference on the application form than the school offered, will be added to the waiting list as at the day the application form is received by the Admissions Officer.

All parents need to be aware that their child's name will not automatically be placed on the waiting list for a school which is named as a lower preference on their common application form than the school for which they have received a single offer of a place.

Upon receipt of your offer if you wish for your child's name to be placed on the waiting list for a school named as a lower preference on your original application form than the school at which an offer has been made, you should submit this request in writing either by letter, by completion of a new common application form, or by email to admissions.enquiries@rotherham.gov.uk.

This written request will be considered as a late application based on the date of receipt of your written request and if this school is oversubscribed your child's name will be placed on the waiting list for your new preferred school in accordance with Table A above.

Table B

Preferred schools in rank order of the Common Application Form			
1 st	School A	W	Child is not automatically eligible for admission and therefore the child's name is automatically put on the waiting list because it is named as a higher preference than School B where the offer of a place has been made.
2 nd	School B	P	Preference can be met and offer is made
3 rd	School C		Child is not eligible for admission and the child's name is not automatically put on the waiting list because it is named as a lower preference than School B where the offer of a place has been made.

Table C

The waiting lists for schools will be determined in accordance with each Admission Authority's admission criteria. The table below shows for all possible outcomes of expressing three preferences, which schools waiting lists a child's name will automatically be placed on.

Preferred Schools in rank order		Outcomes							
		1	2	3	4	5	6	7	8
1 st	School A	P	W	W	P	P	P	W	W
2 nd	School B	P	P	W	P			P	W
3 rd	School C	P	P	P		P			W

Key

P Place available – your child is eligible for admission which creates a potential offer

W School oversubscribed – your child is not eligible for admission as determined by the admission criteria, however their name will automatically be put on the waiting list.

School oversubscribed – child is not eligible for admission as determined by the admission criteria however their name will not be put on the waiting list because they have been given a place at a higher preference of school

If you change your address, please write to the LA providing some proof i.e. a council tax or utility bill. Your child's place on the waiting list will then be reviewed.

The waiting list will be established on the offer day and will be maintained up to and including **31st December 2022**

Important points about waiting lists

- A vacancy arises in Reception/Foundation Stage 2, only when the number of offers to a particular school falls below the admission number, or in certain circumstances a higher number set by an independent appeals panel where it is determined that prejudice to efficient education would not occur.
- Waiting list positions are subject to change. Once established waiting list positions may change regularly, even daily, as new applications are processed or where circumstances change (e.g. a child on the list moves address).
- Parents need to be fully aware that no priority is given on the waiting list by reference to the date on which the application is received. Consequently, it is possible that the name of a child on the waiting list may be moved down the list to accommodate a later, unsuccessful applicant, who has a higher priority on the waiting list as determined by the admission criteria.
- Parents who intend to appeal against the Authority's decision not to offer a place at a preferred school(s) should do so irrespective of having their child's name placed on the waiting list(s);
- For those parents who proceed to an independent appeal, no weight may be given to a child's position on the waiting list.

Schools outside Rotherham

If you have applied for a school(s) outside Rotherham the arrangements for the operation of waiting lists will be included in their Admission to Primary School booklets. These arrangements may be different to those in Rotherham and therefore you may wish to contact the Admissions Officer in the Authority for further information and advice. Contact telephone numbers for neighbouring Authorities are given in Section 12.

SECTION 9 - INFORMATION ON APPEALS

If you have not been offered a place for your child at a school for which you have expressed a preference you have the right of appeal to an independent appeal panel.

The reasons for not offering a place at the school(s) for which you have expressed a preference will be one of the following:

Reason 1

- the number of applications exceeded the published admission number for the school. This means the number of applications received for this school was higher than the number of places available (admission number) in the relevant year group.

For primary schools the relevant year group is Reception/Foundation Stage 2 and for separate Junior Schools the relevant year group is Year 3.

The admission criteria were applied and your application for your child was refused, because to admit any further children above that number would prejudice the provision of efficient education or the efficient use of resources.

There is another factor to take into account in terms of admissions and this relates to limits to Infant Class Sizes. Limits on class sizes imposed by law mean that, subject to certain limited exceptions, infant classes in Foundation Stage 2/Reception, Year 1 and Year 2 may not contain more than 30 children with a single teacher. Further details are given later in this section.

Or

Reason 2

- you were offered a place for your child at another school under the co-ordinated scheme. This means you were not offered a place for your child at this school because you were offered a place at a school named as a higher preference on your common application form in accordance with the Authority's co-ordinated scheme for admission.

The table shows the eight possible outcomes of expressing three preferences for schools and for which schools the parent can appeal.

Please Note: If you intend to appeal for a place at a school named as a lower preference on your application than the one for which you have received an offer for your child, check with the Admissions Team before you decide to submit an appeal because there could still be places available at that school. This means you could be offered a place for your child at the school and therefore would not have to submit an appeal.

Preferred Schools in rank order		Outcomes							
		1	2	3	4	5	6	7	8
1 st	School A	P	A	A	P	P	P	A	A
2 nd	School B	PA	P	A	PA	A	A	P	A
3 rd	School C	PA	PA	P	A	PA	A	A	A

See Key on next page

Key

- P** This was the highest named preference with a potential offer therefore the parent was offered a place at this school for their child.
- A** Your child was not eligible for a place at this school. You have the right of appeal for a place at this school.
- PA** Your child was eligible for this school, but you were not offered a place for your child, because you were offered a place at a school named as a higher preference on your common application form. You have the right of appeal for a place at this school. However please check with the Admissions Team before submitting an appeal as a place may be available.

Appeals Procedure

All independent appeals are organised by the Appeals Clerk and follow procedures, which are set out in legislation and the School Admission Appeals Code of Practice. The Appeals Clerk, Panel and process is independent of the Admission Authority. The important requirements of any independent appeal are:

- a) appeals must be in writing stating the grounds on which the appeal is made;
- b) for Rotherham Community, Voluntary Controlled, Academies, Catholic Primary Schools and Church of England Voluntary Aided Schools parents should lodge their appeal within 30 calendar days of the date of notification to parents that their application for a place at the school was unsuccessful. For schools outside Rotherham please contact the relevant Admissions Authority for advice.
- c) every parent has the right to attend the independent appeal in order to make their case;
- d) the parent can be accompanied by a friend or be represented by them;
- e) independent appeals are heard in private;
- f) the decision of the Appeals Panel is binding on both parents and the Admission Authority;
- g) parents will receive written notification of the Appeals Panel decision.

General Information On Appeals

A separate document containing details of the appeals procedure is available to parents whose applications could not be satisfied.

1. Any member of the Authority may attend, as an observer, any hearing by an Independent Appeal Panel established by the Authority's Democratic Services.
2. Parents will be given at least 14 days written notice of the date, time and place of the appeal hearing and following this, will receive prior to the appeal, written documentation summarising the reasons for refusing the admission.
3. If a parent does not attend the appeal or is not represented by another person the hearing may be held and the case dealt with in the absence of the parent using only the written documentation submitted.
4. In some cases, parents who are not successful at the appeal occasionally consider applying again for the same school in the same academic year. Unless there has been a significant and material change of circumstances which is relevant to the application for admission, the Authority is not required to reconsider its decision and therefore parents do not have the right of another appeal.
5. If there are a large number of appeals for a particular school a Group Appeal hearing may take place.
6. As the purpose of the appeals process is to consider whether a child should be admitted to a particular school, where a parent of a summer born child has requested that their child be educated outside of their normal age of admission, and this request has been declined, parents do not have a right of appeal if they have been offered a place and it is not in the year group they would like.

Limits to Infant Class Sizes

Limits on class sizes imposed by law mean that subject to certain limited exceptions, infant classes in Reception/FS2, Year 1 and Year 2 may not contain more than 30 children with a single teacher. Because of this legal requirement, admissions authorities will not be able to admit a child to an infant class if to do so would result in a class size of above 30 children.

The scope for Admissions Appeal Panels to uphold an appeal against non-admission has been limited where the admissions authority has refused admission on class size prejudice grounds.

It is important to note that if your preference for a place in Reception/FS2 has been refused on the grounds of class size legislation, the normal two-stage decision-making process as detailed in the “Admission Appeals – A Guide for Parents and Carers” will not apply. Unless an applicant can successfully prove that either the decision that class size prejudice would arise is not one that a reasonable admission authority would have made in the circumstances or, that the preference should have succeeded had the admission arrangements been applied correctly, the appeal will fail.

You are therefore urged to bear this information in mind if a place at a school has been refused because of class size legislation.

Coronavirus (Covid 19)

With regard to Covid 19 (Coronavirus), the DfE issued additional guidelines in order to enable school admission appeals to take place without person to person contact. These guidelines are subject to possible changes. Further details are available from the Appeals Clerks on Rotherham (01709) 822721 or 822722 or by email at SchoolAppeals@rotherham.gov.uk

SECTION 10 - ADMISSIONS POLICY FOR ROTHERHAM AUTHORITY NURSERY OR FOUNDATION STAGE ONE CLASS

An application for an early education place* (see below) in an Early Years Centre, Nursery Unit/Foundation Stage One Unit should be made to the Head Teacher.

Parents should be aware that gaining a place in the nursery class/foundation stage 1 (FS1) at a school **does not** guarantee that a place will be available in that school in the reception class or foundation stage 2.

A complete list of all the Local Authority nurseries and primary schools which have nursery/FS1 is given in Section 4. Children who have an Education, Health and Care Plan must be allocated a place at the school named in the Plan.

Children will be allocated a place in a nursery/FS1 according to the following criteria which are ranked in priority order:

- 1) Relevant Looked After Children or previously looked after children (see definition below).
- 2) Children who have a specific medical reason confirmed by a medical practitioner which the Head Teacher is satisfied makes attendance **at that particular school essential**.
- 3) Children with a compelling social reason which the Head Teacher is satisfied makes attendance **at that particular school essential**. The kinds of overriding social reasons which could be accepted are where there is evidence that the child's education would be seriously impaired if he or she did not attend the preferred school.
- 4) Children who live in the catchment area of the school as defined by the Authority and who will also have an older brother or sister on the roll of the preferred school or its associated junior school at the time of their admission.
- 5) Children who live in the catchment area of the school as defined by the Authority.
- 6) Children who live outside the catchment area of the school as defined by the Authority whose older brother or sister will be on the roll of the preferred school or its associated junior school at the time of their admission.
- 7) Children who attend integrated early education at a childcare provider on the school site.
- 8) Children who live in the catchment area of a school without nursery/foundation stage 1 provision.
- 9) Children who have access to nursery/foundation stage 1 provision in their own catchment area school.

If demand for places within any category is greater than the available spaces, places will be allocated to children who live nearest to the school measured by a straight line on a horizontal plain (commonly known as measurement "as the crow flies"). See page 36 and 37 for full definition.

Please Note

- * Children are entitled to an early education place from the term following their 3rd birthday. The majority of schools offer three terms of early education, commencing in the Autumn Term one year before entry to reception / foundation stage 2, Early Education places are also offered by pre-schools, day-nurseries and some Childminders. Children who are eligible for a place from the Spring (January) or Summer (April) term usually take up a place at a pre-school, or day nursery or childminder initially, however some schools can offer an intake each term.

An early education place is 570 hours of early education over 38 weeks of the year. This is delivered as 15 hours each week for 39 school weeks each year with 5 inset days over the year. Children are entitled

to 15 hours of free early education and Schools can deliver this flexibly over fewer than 5 days. A number of different delivery models are in place - details are available from the Families Information Service or directly from the school.

Children who meet the eligibility criteria are eligible for a total of 30 hours of early education each week. Some schools, day nurseries, pre-schools and childminders will be offering a 30 hour entitlement. Please contact the Families Information Service or school directly for more information.

** A 'relevant looked after child' is a child that is looked after by a local authority in accordance with Section 22 of the Children Act 1989 at the time an application for admission to nursery/FS1 is made, and who the local authority has confirmed will still be looked after at the time when he/she is admitted to the nursery/FS1.

Previously Looked After Children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). This includes those children who appear (to the admissions authority) to have been in state care outside of England and ceased to be in care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care or were accommodated by a public authority, a religious organisation or any other provider of care whose sole or main purpose is to benefit society. SECTION 11 - YEAR 2 TO YEAR 3 TRANSFERS

MOVING FROM INFANT TO JUNIOR SCHOOL

It is necessary for parents of children in Year 2 of a separate Infant School to apply for a place in a Junior School when their child is due to transfer to the next phase of their education.

Making an Application

- Parents of children resident in Rotherham can name up to three preferred Junior Schools for their child, even if one of your preferred schools is in another Authority's area. However, most parents will choose to apply for the associated Junior School to their child's current Infant school.
- If you are resident in Rotherham you MUST apply on-line at www.rotherham.gov.uk/education or request and complete a paper copy of the Common Application Form by telephoning the Admissions Team on 01709 823777.
- The closing date for receipt of applications is **15th January 2022**. All applications received after this date are deemed to be late applications.
- Parents of children who reside outside the Rotherham Authority should contact their Local Authority's Admissions Team for further advice on submitting an application. This applies even if your child is currently on the roll of a Rotherham Infant School and you wish them to transfer to the related Junior School in September 2022 – you will need to submit your application via your Local Authority's Admissions Team. Contact telephone numbers for neighbouring Authorities can be found in Section 12 of this booklet.

Parents wishing their child to transfer to a separate Junior School from a Primary or J&I School

Parents of Year 2 children resident in Rotherham who currently attend a Primary or Junior & Infant School/Academy, or a school outside Rotherham Authority, can, if they wish, express a preference(s) for a Junior School either on-line or by obtaining a Common Application Form from the Admissions Team on (01709) 823777. This should be completed and returned to the Admissions Team by the closing date of **15th January 2022**.

Parents not wishing their child to transfer to a separate Junior School

If you would prefer your child to transfer to a Primary or Junior & Infant School / Academy (including a Aided Church of England or Catholic Primary) instead of a separate Junior School you will need to follow different procedures to those above as these applications will not be processed more than one term in advance.

- Parents would need to submit an application for these schools on a separate in-year transfer application form, which is available on the Authority's website, after **1st May 2022**. This will then be processed as an in-year application.

NOTE: Parents may wish to apply for a separate Junior School place for their child by the closing date of 15th January 2022, thereby receiving an offer of a school place on 19th April 2022. Parents may then submit an additional application after 1st May 2022 for their preferred Primary or J&I School / Academy. If a place is offered, the original offer of a Junior School place may then be withdrawn.

Consideration of Preferences

Rotherham Authority as the Admissions Authority for Community Schools will determine whether a place is available at any of the schools named on your Common Application Form. Places at Community Junior Schools or Junior Academies will be allocated in accordance with the Admissions Criteria given below.

Where the admission number is likely to be reached mid category, priority will be given to those children who, on the Offer Date, live nearest to the school measured by a straight line on a horizontal plane (commonly known as measurement, "as the crow flies").

On 19th April 2022 the Admissions Team will notify parents of children resident in Rotherham of the outcome of their application for a Junior School place. The school offered will be the highest ranked school on your Common Application Form at which a place is available.

A small number of children will have an Education, Health and Care Plan (EHCP). Children with an EHCP that names a school are required to be admitted to the school that is named as part of that process.

The majority of children with special educational needs will not require an EHCP. Applications for children who have special educational needs but no EHCP will be considered on the basis of the schools published admissions criteria.

THE ADMISSIONS CRITERIA FOR YEAR 3 OF A COMMUNITY JUNIOR SCHOOL

Places in Year 3 at a Junior School will be allocated following receipt of parental preferences according to the following criteria, which are in priority order:

Those who on the closing date of 15th January 2022 are:

- i) Relevant looked after children and previously looked after children.
- ii) Children who, on 15th January 2022, have a specific medical reason confirmed by a medical practitioner, which the Authority is satisfied makes attendance at that particular school essential. Parents should ensure that they submit full supporting information with their Common Application Form.
- iii) Children who, on 15th January 2022, have a compelling social reason which the Authority is satisfied makes attendance at that particular school essential. The kinds of overriding social reasons which could be accepted are where there is evidence that the child's education would be seriously impaired if he or she did not attend the preferred school. Parents should ensure that they attach full supporting information to the Common Application Form.
- iv) Children in attendance in Year 2 at the associated Infant School.
- v) Children who, on 15th January 2022 live in the catchment area of the school as defined by the Authority, and it is expected will have an older brother or sister on the roll of the preferred school in Years 4, 5 or 6 in September 2022.
- vi) Children who, on 15th January 2022, live in the catchment area of the school as defined by the Authority.
- vii) Children who, on 15th January 2022, live outside the catchment area of the school as defined by the Authority and it is expected will have an older brother or sister on the roll of the preferred school in Years 4, 5 or 6 in September 2022.
- viii) Children who live nearest to the school measured in a straight line on a horizontal plane (as the crow flies).

Please see notes (a) to (e) under the Admissions Criteria in **Section 5** for further clarification.

Thurcroft Junior Academy - The Governing Body is the Admissions Authority for the school. Places will be offered at the school in accordance with the Admissions Criteria for community schools on behalf of the Governing Body of the school.

Brampton The Ellis C.E Primary School - The Governing Body is the Admissions Authority for the school. Applications for Year 3 at this school will be sent to the school for consideration by the Governing Body in accordance with their Admission Criteria. It will be assumed that children in Year 2 of this school will automatically transfer to Year 3 unless an application is received requesting an alternative. The Governing Body will also give priority to applications from parents of children in Year 2 at Brampton Cortonwood Infant School. The Governing Body of the school will then notify the Admissions Team of the names of the children who can be offered places at the school. On 19th April 2022 the Admissions Team will, on behalf of the Governing Body, respond to parents by email or letter making the single offer of a place at this school if it is the highest preference of school named on your form with a place available. Please refer to Section 5 of this booklet for information on the school's Admissions Policy.

Vaccination (Immunisation)

Vaccination (immunisation) is one of the most effective public health measures in the world, protecting vulnerable individuals against a wide range of infectious diseases. One of the most important things you as a parent can do for your child is to make sure that he/she is up to date with all of their routine childhood immunisations. This is particularly important as they prepare to start school, as they will be mixing with a wide variety of children which will increase their risk of exposure to a range of serious and potentially fatal infections – remember these infections still exist and can infect an unprotected individual.

Vaccination is the most effective way of keeping them protected against these infectious diseases, as once your child has been vaccinated against a disease, their body can fight that disease more effectively should they come into contact with it. Vaccinations are quick, safe and extremely effective, but if you have any concerns you should contact your Practice Nurse or 0-19 Health Practitioner (Health Visitor/ School Nurse) to discuss these. All national immunisation schedule vaccinations are free of charge. For further information please visit the NHS choices website:

<https://www.nhs.uk/conditions/vaccinations/childhood-vaccines-timeline/>

By the time your child starts school they should have been vaccinated against:

Tetanus; Diphtheria; Polio; Whooping Cough; Haemophilus Influenza (type b); Pneumococcal disease; Meningitis (Type C); Measles; Mumps and Rubella. As we are seeing an increase in outbreaks in this country and globally, the only way you can protect your child is by ensuring they have received 2 MMR vaccinations by the time they start school, available at your GP practice.

The children's flu vaccine is offered as a yearly nasal spray to young children to help protect them against flu. In the autumn/winter 2019/2022 the vaccine will be available free on the NHS for all eligible children via the school immunisation team.

Eligible children include those in reception class and school years 1, 2, 3, 4, 5 and 6. They will be offered the vaccination in school, this included children with chronic or long-term conditions. A consent form, dates for the school session and further information will be sent to parents via the school prior to the vaccinations taking place. If you would like further information the school can provide the contact of the school immunisation team and a link below to the NHS choices page.
