

Dear Parent / Guardian,

International School Meals Day
Thursday 10th March 2022
'Celebrating School Meals'

This year is the tenth anniversary of International School Meals Day, and the theme is '**Celebrating School Meals**' – sharing ideas, stories and experiences of the past, present and future.

We are delighted to be supporting this special day; we will be celebrating in school with a special menu and a competition for both the pupil and the school to have a chance of winning.

Join the gang on our **Tangerine Time-Machine** as we hop into the Past, Present and Future - exploring the foods of yesteryear, what we love today, to the future of our food.

We hope that your child will join us on **Thursday 10th March** for a fun-filled school lunch. If you would like more information then please get in touch, services@mellors.co.uk.

Best Wishes,

Mellors Catering Services
