

Meet the team.

Kay Woodcock -SENDco

Hi Ms Woodcock here! I can't wait to be joining you all in September; I've worked for the trust since 2018 and have over 17 years' experience supporting and teaching in both primary and secondary school. I have worked with lots of different age groups of children throughout Rotherham, from EYFS to Year 11. Involved with different children under a huge rainbow of different needs. A huge part of that experience has involved working with children with 'superpowers', a quality that carries a label of S.E.N.D. supporting the difference and ensuring equality of their needs. I have experience working with children with a range of difficulties and challenges when facing the adventure of education and life. I truly enjoy teaching all different ages of children and the adventures it brings.

I am a huge art fan -I just love art - Helping children to become confident artists is a real passion of mine. Everyone can draw- they just need to embrace the subject, shine through with confidence using an array of basic skills to achieve inspiration work.

I enjoy all kinds of different music (especially live) from relaxing, calming ocean sounds to rock and heavy metal. I am also a huge rugby fan – Joe Marler is my hero. In my spare time I manage an under 18's team at Mosborough RUFC – I get roped into lots of other jobs too!

My two children are grown up, one at University and the other an engineering apprentice, keep me on my toes, both play Rugby so a lot of my weekend are used up as 'mums' taxi' If I am not with them you will find me walking my pampered pooch (Bella) around the peak district or snuggling up to my metre-long pet corn snake - Sammy.

My favourite film characters are Little Mermaid and Baby Groot from Guardians of the Galaxy- he is soooo cute! He makes me smile when he dances!

Mrs C Sharp (Learning mentor)

I have worked at Rawmarsh Ashwood for over 16 years and I absolutely love it. I started work life as a Pharmacy Technician but found a love of working with children when I ran a Playgroup in New Zealand back in 2000. On my return to England I started voluntary work at Sandhill primary school where my son was a student. It was two lovely members of staff there who encouraged me to apply for the job at Ashwood and here I am. I started my Journey as a 1:1 TA with a child in Foundation and worked my way through school (most year groups), finally becoming the Learning Mentor supporting families and children with attendance, safeguarding and mental well-being.

I love all types of music, especially rock and the 80's and, even though I am tone deaf, I love a good Karaoke. I love to dance and miss my childhood days performing on stage. Maybe I should go back to dance class??

I have one grown up Son who amazes me every day with his resilience to whatever life throws at him. I am super proud of all his achievements, working really hard in Uni to get a Maths degree and then secure a job. We have two beautiful Staffy dogs who love cuddles and sausages.

Teaching support.

Mrs S Jagger
Nursery Nurse

Ms A Kon
Nursery Nurse

Mrs N Richardson (Year 6)
Higher Level Teaching Assistant

Miss D Hinchliffe (Year 5)
Teaching Assistant

Mrs E Clarkson (Year 1)
Teaching Assistant

Mrs A Robertson (Year 4)
Teaching Assistant

Miss C Goddard
Teaching Assistant

Mrs A Morrison (Year 2)
Teaching Assistant

Ms H Ramzan (Year 3)
