Y1 Visit to The South Yorkshire Transport Museum

Year 1 will be going on a visit to The Transport Museum, Rotherham on Wednesday 11th January 2023.

This will be a half day visit and children will return to school for lunchtime.

This visit will form part of our history strand to find out more about different types of transport in the past. We will be having a workshop and be able to speak to different people who work there, as they have driven many of these different types of vehicle. We will even get to go on and look inside all buses and learn more about how they work.

The visit leader will be Miss Webb and students will be travelling by bus (supplied by the museum). All relevant trust risk assessments have been completed.

The trip will depart at 9.15am and return at approx 11.45pm. As the trip is in school time, in case of emergency please contact the school office.

Students will be expected to wear uniform and have suitable footwear and an outdoor coat.

We expect students to behave in an appropriate sensible manner and follow the school code of conduct at all times. We reserve the right to refuse access to the visit for students who do not meet the acceptable criteria of behaviour and may pose a risk to themselves or others.

As this is an enrichment activity, in order for the activities to take place we ask for a voluntary contribution of £3.60. All payment is at the discretion of parents/carers and any contribution will be viewed as voluntary. However, in the event of an inadequate number of contributions being received, it will not be possible for the visits to take place.

In the event of short notice cancellations of the trip due to unforeseen circumstances, it may not be possible to refund any contributions.

Please return the reply slip by Friday 2nd December. Payments should be made by Friday 6th January via ParentPay.
