Geography fieldwork visit

Year 4 will be going on a visit to the play area next to Rawmarsh Library on Friday 16th June 2023.

The purpose of this visit is to support our learning in geography and understand the importance of fieldwork. They will be undertaking surveys, sketching, photography and much more.

The visit leader will be Mrs Venables and students will be travelling on foot leaving school at 09:30 returning to school at 14:30

All children will arrive in school at normal time and will return before the end of the school day.

Students will require a packed lunch and drink. Should your child receive a free school meal, and you wish for them to have a school packed lunch, then please confirm this on the reply slip below.

Students will be expected to wear uniform and have suitable footwear and outdoor clothing.

We expect students to behave in an appropriate sensible manner and follow the school code of conduct at all times. We reserve the right to refuse access to the visit for students who do not meet the acceptable criteria of behaviour and may pose a risk to themselves or others.

There is no financial cost for this visit

Please return the reply slip by Thursday 25th May.
