

Meet the team.

Lucy Hartley -SENDco

Hi I'm Mrs Hartley. I have been teaching in Rawmarsh for 10 years and before that I worked as an Early Years Professional in a range of different settings from Children's Centres to nurseries across South Yorkshire.

Early Years is my passion! I love the magic, curiosity and awe that teaching young children can bring. Each day is full of fun and new adventures. I look forward to being part of the Ashwood Early Years Team.

Meeting children's individual needs and interests in the Early Years has naturally guided me to the role of Special Educational Needs Co-ordinator. Supporting children to reach their full potential and enjoy their time throughout school is my aim for all students. I also believe that you, the parents, are the key to success! As SENDCO I will support families to gain the knowledge and confidence to navigate your child's individual school journey.

At home I am the Mummy to two head strong girls. My girls are my world! We spend our time together playing Barbies, going to the park, crafting, eating way too much ice cream and watching Bluey!

Mrs C Sharp (Learning mentor)

I have worked at Rawmarsh Ashwood for over 16 years and I absolutely love it. I started work life as a Pharmacy Technician but found a love of working with children when I ran a Playgroup in New

Zealand back in 2000. On my return to England I started voluntary work

at Sandhill primary school where my son was a student. It was two lovely members of staff there who encouraged me to apply for the job at Ashwood and here I am. I started my Journey as a 1:1 TA with a child in Foundation and worked my way through school (most year groups), finally becoming the Learning Mentor supporting families and children with attendance, safeguarding and mental well-being.

I love all types of music, especially rock and the 80's and, even though I am tone deaf, I love a good Karaoke. I love to dance and miss my childhood days performing on stage. Maybe I should go back to dance class??

I have one grown up Son who amazes me every day with his resilience to whatever life throws at him. I am super proud of all his achievements, working really hard in

Uni to get a Maths degree and then secure a job. We have two beautiful Staffy dogs who love cuddles and sausages.

Teaching support.

Ms A Kon

Nursery Nurse

Mrs N Richardson (Year 6)

Higher Level Teaching Assistant

Miss D Hinchliffe (Year 5)

Teaching Assistant

Mrs E Clarkson (Year 2)

Teaching Assistant

Mrs A Robertson (Year 4)

Teaching Assistant

Miss C Swan
Teaching Assistant

Mrs A Morrison
Teaching Assistant

Ms H Ramzan
