## CLASS 4 — SPRING 1 NEWSLETTER

### Welcome back!

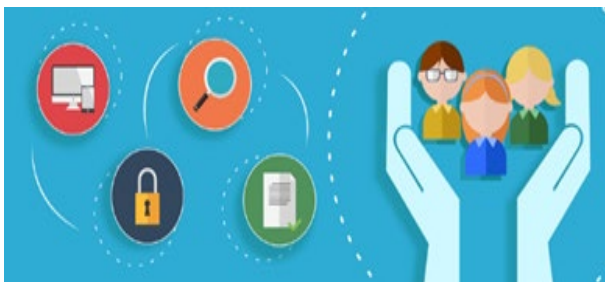

We hope you've had the most wonderful Christmas and are ready for a fantastic 2024.

We've got so much to look forward to over the next few weeks and months. We have new learning to embrace, library visits and our long-awaited swimming lessons.

In preparation for our Multiplication assessment in June, we will continue to focus on our times table and send home help sheets when necessary to help support this. Practicing at home will continue to be vital for this.

If you have any questions about any aspect of school life, please feel free to contact either myself or Mrs Robertson and we will get back to you as soon as possible.

Best Wishes,  
Mrs Venables

### A message from our School Councillors.

We look forward to continuing to represent year 4 at school council meetings, putting our ideas forward. We are hoping to carry out some more fundraising in year 4 this year so we can plan a school trip later in the year. Any ideas as to how we can improve school are always welcome

Willow and Eve

### Marvellous Moments!

Whether your child loves to bake, has achieved an award in swimming or learnt to tie their shoe laces—we want to know so that we can share in their 'Marvellous Moments'.

Please send any pictures or comments through Class Dojo and we look forward to celebrating these special moments with the children.
