## CLASS 4 — SPRING 2 NEWSLETTER

### Welcome back!

We hope you've had a great half term and are ready for next half term ahead

We have lots to look forward to over the next six weeks, including our library visits, local walks for photography and as ever we are hoping to get our swimming lessons in.

In preparation for our Multiplication assessment in June, we will continue to focus on our times table and send home help sheets when necessary to help support this. Practicing at home will continue to be vital for this.

If you have any questions about any aspect of school life, please feel free to contact either myself or Mrs Robertson and we will get back to you as soon as possible.

Best Wishes,  
Mrs Venables

### CLASS NEWS

**English:** Our English learning this half term will be linked to, and driven by, *Escape from Pompeii* by Christina Balet. We will be looking at writing persuasive adverts and a newspaper. There are some lovely supporting resources that have been created for this which are visually amazing, and we will be using these in addition to the book.

**Reading:** We will begin our new class novel, *Journey to Jo'burg*. This text will enable us to explore many areas of study and look at how cultural differences historically influenced lives.

In Year 4, we will ensure that we teach the Year 4 spelling rules as well as embed spelling rules previously taught.

**Maths:** In maths this half term, we will focus on

- Length and Perimeter
- Fractions

**PSHE:** Healthy Me

**Art:** Mackenzie Thorpe

**History:** The Vikings

**Geography:** Capital cities of the UK

**Science:** Sound

**RE:** Believing – Prayer & Worship

**COMPUTING:** Multimedia/ Presentation

### Marvellous Moments!

Whether your child loves to bake, has achieved an award in swimming or learnt to tie their shoe laces—we want to know so that we can share in their 'Marvellous Moments'.

Please send any pictures or comments through Class Dojo and we look forward to celebrating these special moments with the children.
